and iconic western American artists such as Frederic Remington and Charles Schreyvogel to create posters and advertisements for Buffalo Bill's Wild West Circuses and other shows used similar techniques but Cody's team perfected them creating unique posters that branded Buffalo Bill's Wild West as the true Wild West experience. They helped attract patrons from across the nation and ultimately from around the world at every stop the traveling show made. In *Art and Advertising in Buffalo Bill's Wild West* Michelle Delaney showcases these numerous posters in full color many of which have never before been reproduced pairing them with new research into previously inaccessible manuscript and photograph collections. Her study also includes Cody's correspondence with his staff revealing the showman's friendships with notable American and European artists and his show's complex modern publicity model. Beautifully designed *Art and Advertising in Buffalo Bill's Wild West* presents a new perspective on the art innovation and advertising acumen that created the international frontier experience of Buffalo Bill's Wild West.     **The New York Daily Tribune Index**, 1899
