far back as she can remember As a child she wanted to help her mother in the kitchen and witness her creativity with the little she had to cook with She always knew that when se grew up she would be able to cook just like her So throughout the years she gathered lots of cooking knowledge and recipes along the way from her grandmother aunts and friends The years of written recipes scribbled on pieces of paper that were piled up in a box was overwhelming but now are finally typed and put together in this book of so many recipes cooked with lots of love for all of you to enjoy It is what she would call an all purpose cookbook because it has everything you could possibly imagine in it     The Blessings of Poverty Diane Boone,2013-07-25 To being with please understand that I do realize how paradoxical the title of this work may seem In fact I can hear the astonished question you may be asking just now Povertya blessing How can that be Well lets go to the dictionary and see if the definition of the word blessing can help answer that question In Websters New Collegiate Dictionary we find the following entry next to the word blessing a thing conducive to happiness or wellbeing Most of us are so focused on the happiness part of the definition that we only see Gods hand of blessing when were happy we forget that not everything conducive to our wellbeing makes us feel happy Just as a loving parent will bless their child with both comforts and discipline so God blesses us with both comforts and challenges As I look at the lives of my family and myself I can see how God has strengthened our walk with Him through our financial struggles Because of this fact I say with assurance that financial struggles can be used of the Lord to truly bless us Next I want to ask you to take my use of the word poverty with the proverbial grain of salt as my intent is to use the term in a very tongue in cheek manner Ive actually heard of individuals complaining because they have to choose between landscaping their newly built home or taking a second vacation this year or lamenting the fact that times are so hard they have to cut their annual vacation to Hawaii from the usual four weeks to only two weeks The truth is many many people sharing our world would be ecstatic to have the standard of living that most of us are enjoying So viewed from their perspective wouldnt it seem that if we have a roof over our heads proper clothing to wear and eat three meals a day were doing pretty well for ourselves Its also true that God has spread His children throughout the world in different cultures with different gifts and with different incomes There is nothing wrong with having a comfortable income or owning lovely things And there is certainly nothing wrong with working hard to provide for your family In fact many Godly people mentioned in scripture had a great deal of wealth Abraham Isaac Joseph Job King David and Joseph of Arimathia are just a few that spring to mind There are also many Godly people mentioned in scripture who had very little wealth Mary Joseph the beggar Lazarus the widow with her two mites and our Lord Himself There is nothing inherently more spiritual with one state or the other Those with wealth need to thank God most sincerely for what they do have and to beware of falling into the trap of pride look at me and how successful Ive been And its been very interesting for me to realize that those with modest incomes also need to thank God most sincerely for what they do have and to beware of falling into the trap of pride look at me getting along on a small income must somehow make me more spiritual than the wealthy Did you

know that when the Lord was on earth one of His most frequent topics of discussion was money He never condemned wealth He condemned the preoccupation with wealth and the belief that a persons worth or security comes from amassing huge amounts of wealth Regardless of whether we have a large amount of this worlds goods or a small amount it all belongs to God We need to use whatever we do have to further Gods kingdom and honor Him by caring for our families and reaching out to those in need And all of us need to embrace the truths found in Matthew 6 25 34 and find our security in the wonderful care of our loving Heavenly Father I myself was raised in a Christian home by parents who were quite well off financially I just never realized it until I was almost finished with high school Im sure this is partly because Im not a very visual person so I tended not to notice or compare things as much as others But I really think that it wa *Perfect Blend* Mark

McCrorey,Tina McCrorey,2014-11-18 How do you meld two peoples tastes Harder still how do you meld two cultures with different ways and methods of cooking By experimenting having fun and being creative Growing up in England spending my youth in New Jersey for several years as well as coming from an Indian household to marrying my Irish American husband who also has Canadian and German roots Mark and I quickly realized we had a challenge on our hands What do we cook on a daily basis What was fulfilling for both of us What would satisfy both of our eclectic tastes of food Midwest cooking for Mark meant turkey tacos venison stews and potatoesthrow in a little poutine or gravy and he is golden Indian cooking for me meant spicy as much veggies as possible served with rice roti or pasta All in all lots of carbs which meant it was time for a rehab of our diet and fast We made a conscious effort to blend our two seemingly different cultures as well as our classic American faves while making it easy and quick to cook We started documenting recipes that we both loved and ended up with a cookbook that we think caters to a variety of unique tastes Some recipes are fast some are not Some are healthy while some are not However if you love cooking and spend a little time on it you can enjoy delicious meals that will keep you happy in your real daily lives Cooking together really helps the time go by fast All the recipes can be doubled tripled halved or quartered to suit your needs We hope you enjoy our labor of love and find some unique recipes to try And some of those vegetarian recipes can easily be altered to include meat and vice versa Experimenting with different cultures and cuisines is an amazing way to come up with your own unique recipes so feel free to mix in your own cultures flavors or your favorite spices We hope you customize and add some of our most loved dishes to your stash of favorite family recipes Miss
