We know the Golden State Biology Exam. The experts at The Princeton Review study the Golden State Exams to make sure you get the most up-to-date, thoroughly researched book possible. We know students. Each year we help more than two million students score higher with our courses, bestselling books, and award-winning software. We get results. Students who take our courses for the SAT, GRE, LSAT, and many other tests see score improvements that have been verified by independent accounting firms. The proven techniques we teach in our courses are in this book. And if it's on the Golden State Biology Exam, it's in this book. We don't try to teach you everything there is to know about biology; only what you'll need to know to score higher on the Golden State Biology Exam. There's a big difference. In **Cracking the Golden State Exam Biology**, we'll teach you how to think like the test makers and eliminate answer choices that look right but are planted to fool you. Improve your score by focusing on the material most likely to appear on the test. Test your knowledge with review questions for each biology concept covered. Practice your skills on the four full-length sample tests inside. The questions are just like the ones you'll see on the actual Golden State Biology Exam, and we fully explain every answer. **Biology Examination Workbook and Student Study Guide**, Harold S.
