Cizek, 2012-03-22 Setting standards of performance is a ubiquitous task in education licensure certification and credentialing It is found in elementary schooling the professions commercial applications and governmental and private organizations It is one of the most complex controversial and vexing issues facing specialists and policy makers

today This second edition solidifies Setting Performance Standards as the only book providing a comprehensive profile of both the issues and the how to methods that define this thorny field Four chapters have been removed 11 chapters have been added 2 chapters have major revisions and all chapters have been updated Comprehensive Part I provides a conceptual overview of standard setting and its overarching issues Part II provides practical how to information on the newest standard setting methods Part III provides information and advice on persistent and potential challenges in standard setting Practical Part II the heart of the book reviews 16 of the newest standard setting methods far more than any other book Expertise Most of the well known authors from the 1st edition return with authors of equal stature contributing new chapters Closing the Educational Achievement Gap for Students With Learning Disabilities Nyemba, Florence, Chitiyo, Rufaro Audrey, 2023-10-04 Recently there has been a growing demand for diversity and inclusion in schools worldwide to ensure effective learning for every student Efforts have been made to support teachers in promoting diversity in classrooms but research shows that students with learning disabilities LD including autism spectrum disorder neurodevelopmental disabilities dyslexia and executive dysfunction still struggle to keep up despite having individualized education programs IEPs These students are not receiving the necessary support they need to learn effectively in the classroom leaving them behind and often completely unprepared for their futures When intersectional statistics are taken into account students who have a learning disability and are among minority ethnic groups have even lower rates of earning a diploma than their counterparts Changes in the educational system must be made to close this learning chasm and create a more equitable learning environment Closing the Educational Achievement Gap for Students With Learning Disabilities increases awareness of the issue of inequalities in education for students with learning disabilities through improved training programs for teachers recommendations for policy changes and development of new strategies to close the gap between these students and their classmates The goal of this book is to educate and empower educators researchers and policymakers on how they can help students with learning disabilities thrive academically and emotionally It examines the barriers that prevent teachers from effectively providing instruction to these students This book covers topics such as achievement gaps student centered approaches and culturally responsive teaching and is ideal for educators professionals researchers special education professionals speech and occupational therapists disability service providers intervention strategists psychologists parents and local communities

Problems of Communism ,1973 **Christianity in Roman Scythia** Ionuț Holubeanu, 2024-01-15 At present there is no scholarly consensus on the ecclesiastical organization in the Roman province of Scythia 4th 7th centuries This volume proposes a new interpretation of some of the historical evidence concerning the evolution of the see of Tomi a great metropolis first with suffragan bishoprics outside Roman Scythia and then inside it and later an autocephalous archbishopric Though there are also many unclear aspects regarding the evolution of monastic life in the province this book reveals that in contrast with the development of the monastic infrastructure in Roman Scythia a spiritual decline began in the mid 5th
