Belinda Deas,2020-12-12 Flower gleam and glow let your power shine Who doesn't love Tangled It has everything swash buckling adventure a sweet romance hilarious jokes and dialogue beautiful music and absolutely gorgeous animation This was the movie that showed us Disney was back in business again And it was a perfect meld of a classic fairy tale story with new ideas and modern animation I'm pretty sure I saw this movie in theaters at least three times I loved the story the characters the visuals and the music Tangled for me was a callback to the classic Disney Princess movies but it still felt fresh and new Do you realize how hard it is for a movie to achieve that combination Many have tried and failed But despite the fact that it's Disney Tangled does have its darker moments The whole concept of Mother Gothel manipulating Rapunzel to stay in the tower and essentially being emotionally abusive to her is pretty strange And then there's the scene where Eugene gets hurt I'm kind of surprised that happened in a Disney movie they usually don't go for direct stuff like that And there are quite

So book includes interesting quizzes, strange secrets about Tangled that you likely didn't know. These secrets from book may change forever the way you see this beloved movie.
