**French Fried: one man's move to France with too many animals and an identity thief** Chris Dolley,2010-06-24 New York Times Bestseller Animals behaving badly other people s misfortunes and the most bizarre true crime story ever French Fried is the unfortunately true account of Chris Dolley s first eight months in France and has been described as A Year in Provence with Miss Marple and Gerald Durrell Just when Chris and Shelagh think nothing more could possibly go wrong they discover that Chris s identity has been stolen and their life savings all the money from their house sale in England that was going to finance their new life in France had disappeared A bank account had been opened in Chris s name in Spain to take the proceeds Then they re abandoned by the police forces of four countries who all insist the crime belongs in someone else s jurisdiction The French say it s an Irish crime as that s where the money was held The Irish say it s French as that s where all the correspondence came from The British say it s nothing to do with them even though forged British passports were used to open the bank account in Spain And the Spanish are on holiday and can t even think about investigating any bank account for at least four weeks So Chris has to solve the crime himself But unlike fictional detectives he has an 80 year old mother in law and an excitable puppy who insist they come along if he s going anywhere interesting like a stakeout

**REVIEWS** This was a fantastic read It had me laughing so much that I nearly got relegated to the sofa Once I had started reading this book I could not put it down I was even quite happy to miss my favourite TV programmes Bookmarked When I downloaded this book this morning I had every intention of putting it on my phone and reading it in dribs and drabs And now I appear to have finished the book The best thing about French Fried is it s sense of humour warm self deprecating and very British Literally laugh out loud in several places I m glad I m the only one home

Librarything Chris Dolley s humour reminds me of James Herriot at times with my husband shushing me in the middle of the night I could not put this book down and enjoyed it immensely The characters especially Nan were life size
