Beauty and Misogyny Sheila Jeffreys,2014-12-03 The new edition of Beauty and Misogyny revisits and updates Sheila Jeffreys uncompromising critique of Western beauty practice and the industries and ideologies behind it Jeffreys argues that beauty practices are not related to individual female choice or creative expression but represent instead an important aspect of women s oppression As these practices have become increasingly brutal and pervasive the need to scrutinize and dismantle them is if anything more urgent now as it was in 2005 when the first edition of the book was published The United Nations concept of harmful traditional cultural practices provides a useful lens for the author to advance her critique She makes the case for including Western beauty practices within this definition examining their role in damaging women s health creating sexual difference and enforcing female deference First wave feminists of the 1970s criticized pervasive beauty regimes such as dieting and depilation but a later argument took hold that beauty practices were no longer oppressive now that women could choose them In recent years the reality of Western beauty practices has become much

more bloody and severe requiring the breaking of skin and the rearrangement or amputation of body parts Beauty and Misogyny seeks to make sense of why beauty practices have not only persisted but become more extreme It examines the pervasive use of makeup the misogyny of fashion and high heeled shoes and looks at the role of pornography in the creation of increasingly popular beauty practices such as breast implants genital waxing surgical alteration of the labia and other forms of self mutilation The book concludes by considering how a culture of resistance to these practices can be created A new and thoroughly updated edition of this essential work will appeal to all levels of students and teachers of gender studies cultural studies and feminist psychology and to anyone with an interest in feminism women and beauty and women s health

Book 2: The Girl Inside of Him 2

Matt has become an awfully naughty sissy. The effects of hormone therapy have taken hold, and he's hungry for something that his mistress and girlfriend Heather has kept from him for too long: another man. Sneaking out of the house at night, he succeeds in finding a hunk of his own, but the end result is not at all what he expected. The simple act of getting ravaged by another man doesn't turn him on anymore. He's been fed humiliation for so long, he needs it to feel complete. But poor Matt has no idea what kind of humiliation he's in for when Heather finds out about his sinful act. His family, that thinks of him as a prim and proper gentleman, is about to discover the kind of hussy this nasty sissy is. Even if he manages to get through all the shame, Heather plans on revealing his forced participation in an event that will change his life forever.

Book 3: The Girl Inside of Him 3

For months, submissive girly boy Matt, now affectionately known as Maddie, has learned to act like a woman in all facets of life, especially when under the covers. The event that his girlfriend, who doubles as his mistress, Heather has prepped him for is upon him. If he wins, he gets to become a full-fledged lady, parts and all. And winning is so simple: the feminized girly boy who becomes friendly with the most men at the event gets crowned the victor. There's just one problem: Matt's flirting leaves a lot to be desired. As the event commences, he and Heather quickly realize the poor wannabe gal has no chance. But as time runs out, a brilliant idea dawns on him: one that involves lots of cash, droves of men, and more lovely dessert than he knows what to do with. Can this tramp pull off the impossible, or will he come up short of the grand prize?
