Jeanette Walls narrates her nomadic and adventurous childhood with her dreaming brilliant but alcoholic parents. At the age of seventeen she escapes on a Greyhound bus to New York with her older sister; her younger siblings follow later. After pursuing the education and civilisation her parents sought to escape, Jeanette eventually succeeds in her quest for the mundane middle class existence she had always craved. In her apartment overlooked by a portrait of someone else's ancestor she recounts poignant remembered images of star watching with her father juxtaposed with recollections of irregular meals, accidents and police car chases and reveals her complex feelings of shame, guilt, pity and pride toward her parents.

The Glass Castle: A Memoir by Jeannette Walls | Summary & Analysis Instaread, 2015-09-08

The Glass Castle A Memoir by Jeannette Walls Summary Analysis Preview Jeannette Walls chronicles all the heartbreak, deprivation, humor and love of her childhood in The Glass Castle, a memoir of growing up dirt poor on a cross country odyssey with her charismatic but alcoholic father and her codependent mother. Jeannette began thinking of her childhood after spotting her mother Rose Mary rummaging through trash in New York City. Her parents were basically living on the street but offers of help were always rejected. Jeannette went home to her husband's apartment on Park Avenue. She arranged to have lunch with her mom who advised her to stop feeling guilty, accept her parents as they were and stop hiding the truth about them. Taking this advice Jeannette started writing her story. Her first memory went back to a trailer park in Arizona. At the age of three she spent six weeks in a hospital after her pink tutu caught fire while she was boiling hot dogs with no supervision.

Summary of The Glass Castle Abbey Beathan, 2019-06-10

The Glass Castle A Memoir by Jeannette Walls Book Summary Abbey Beathan

Disclaimer: This is NOT the original book. The story of Jeannette Walls, a woman who had to escape from her family in order to achieve true happiness. Jeannette Walls definitely lived with an unconventional family. It was a double edged sword. On one hand her parents were talented and smart but on the other one they were also dysfunctional people who slowly but surely corrupted their marriage. A mother who couldn't stand the responsibility of providing for her family and a father who suffered from alcohol abuse. Her family environment was so negative it could only lead Jeannette down a dark path.

Note: This summary is wholly written and published by Abbey Beathan. It is not affiliated with the original author in any way. You should never hate anyone even your worst enemies. Everyone has something good about them. You have to find the redeeming quality and love the person for that. Jeannette Walls. The story gets interesting when Jeannette could not stand living with her parents anymore. It was time for Jeannette and her brother to fend for themselves and once they found the necessary resources they fled from home. The Glass Castle is a story of courage, risking everything to live a happy life and that no matter how grim the situation might be there's still a way out. An inspiring tale about a woman who triumphed against all odds.

P.S. The Glass Castle is an inspiring story about some human beings with enough determination are able to tip the scale in their favor.

The Glass Castle Katie Prout,2011-12-20 ABOUT THE BOOK When The Glass Castle made the bestseller list and book groups everywhere were featuring it as their headliner I shied away from the book As a writer and an instructor of literature I tend to be skeptical of the bestseller list Undoubtedly these are entertaining books but I usually can t come up with a solid rationale for teaching them to a writing or literature class So I didn t read The Glass Castle when it was at its most popular However when I started teaching memoir writing classes The Glass Castle came to mind I decided to give it a try Reading it I was surprised at how intense the book was but also how deeply it resonated with its reader and how engaging the prose was I started teaching it to show students how to be courageous in their writing and write with honesty but in a way that pulls in their readers What I most admired about Jeannette Walls was her ability to be forgiving and compassionate in her telling of the story MEET THE AUTHOR Born in Port Huron Michigan Kathryn Prout has worked as a small town dance teacher small city nonprofit coordinator and after school poetry workshop leader for teens While she s currently busy farming in Ireland Kathryn always makes sure she has time to read write and of course run EXCERPT FROM THE BOOK The Glass Castle is a poignant memoir about a dysfunctional but lively family told from the perspective of the second daughter of four children Jeannette Walls is three years old when the story begins and well into her adult life when it ends Her parents Rex and Rose Mary Walls are troubled people who struggle with their own issues while trying to raise four children Neither parent can hold down a job for any length of time They move around with their children until they finally settle in Welch West Virginia In Welch near Rex s family they live in squalid conditions From the time Jeannette and her siblings are young though their father has grand plans to build the Glass Castle taking out his blueprints and showing his ornate design of their home As the kids get older they lose faith in their father ever building the Glass Castle but he does teach them to have dreams Each child escapes to New York City to realize his or her dreams the way their father didn t **Guide to Jeannette Walls's the Glass Castle** Eureka,2017-04 PLEASE NOTE THIS IS A GUIDE TO THE ORIGINAL BOOK Guide to Jeannette Walls s The Glass
