Pathways in Christian Music Communication Roberta R. King,2009-01-01 Life is a pilgrimage For the Senufo of Cote d Ivoire life consists of following the kologo that is the path the road or the way As such kologo is a key Senufo term that speaks of the directions people choose to follow in life A central aspect of following the Christian pathway among Senufo believers occurs through music Music serves as a major communication vehicle that speaks profoundly into the people s lives Thus Pathways in Christian Music Communication addresses the problem of contextualization of Christianity in Africa via the

use of a people's indigenous music. It focuses on the significance of culturally appropriate songs for effective communication of the Gospel within the African context. In providing a history of the development of Christian songs among the Senufo, a musical analysis of the songs and music culture, identifying communication theory at work within the music-making process, and a content analysis of an emerging Senufo lyric theology, King shows the pivotal role that a people's cultural music plays in integrating a people's worldview and daily lives with biblical teaching. Finally, King examines the influence and effect of songs in communicating the Gospel by showing how the pathway of a song leads to changes of allegiance to the living God and transformed lives. Although set in West Africa, essential principles and guidelines for doing ethnomusicological studies within missiology lie at the heart of this work.

Jan Verschueren's Description of Yéi-Nan Culture Jan

Verschueren, 2012-12-11 Joannis Cornelis Verschueren 1905-1970 worked as a Roman Catholic missionary in southern Irian from 1931 until 1970. In the 1950s he wrote a number of papers on the Yéi. These papers, based on older field notes and a research trip through the area, are recapitulated in this volume. Verschueren provides genuine inside information, and his data are new and authentic. The four papers in this volume create a picture of a typical lowland culture with a surprising emphasis on headhunting, an uncommon way of segregating the sexes, and a highly elaborated system of phallic symbolism. Topics discussed in this volume are territorial clan and moiety organization, kinship, marriage, and conjugal life, the founding myths of Yéi-Nan, ritual, and other rituals, initiation, sickness and healing, death, burial, and mortuary feasts, other ceremonies.

Peter Salim, Agustiaryah Nur, Trees Sutrisnowati, 1990 [A Mad Desire to Dance](#) Elie Wiesel, 2009-02-17 From Elie Wiesel, a recipient of the Nobel Peace Prize and one of our fiercest moral voices, a provocative and deeply thoughtful new novel about a life shaped by the worst horrors of the twentieth century and one man's attempt to reclaim happiness. Doriël, a European expatriate living in New York, suffers from a profound sense of desperation and loss. His mother, a member of the Resistance, survived World War II only to die in an accident together with his father soon after. Doriël was a child during the war, and his knowledge of the Holocaust is largely limited to what he finds in movies, newsreels, and books, but it is enough. Doriël's parents and their secrets haunt him, leaving him filled with longing but unable to experience the most basic joys in life. He plunges into an intense study of Judaism, but instead of finding solace, he comes to believe that he is possessed by a dybbuk.

Surrounded by ghosts spurred on by demons Doriel finally turns to Dr Th r se Goldschmidt a psychoanalyst who finds herself particularly intrigued by her patient The two enter into an uneasy relationship based on exchange of dreams histories and secrets Despite Doriel s initial resistance Dr Goldschmidt helps to bring him to a crossroads and to a shocking denouement In Doriel s journey into the darkest regions of the soul Elie Wiesel has written one of his most profoundly moving works of fiction grounded always by his unparalleled moral compass **The Film Renter and Moving Picture News** ,1922
