The Door Lizzy Ford,2016-02 There's only one rule Never lock the door Gianna believes manual labor to be penance for the mistake that changed her life Nothing can be worse than serving probation under the supervision of a bitter elderly woman known as the Caretaker running a bed and breakfast in the middle of the Arizona desert Then the strangers begin

arriving They appear every night at sundown at the end of the driveway and vanish early in the morning armed men and women who don't quite look or act normal and never travel in vehicles despite the property being twenty miles from town Where they come from baffles Gianna as does the single rule the Caretaker gives her The front door must remain unlocked and the house accessible to the dangerous visitors no matter how unusual or frightening they are When one of them arrives wounded Gianna helps save him and unknowingly makes a powerful friend one from a very faraway place In fact from another world entirely the world that starts at the end of the driveway Before she can learn more Gianna is left alone with the strangers and must choose whether she'll take over the Caretaker's role as hostess or return to New York and risk jail time for violating her probation Gianna defies the Caretaker and locks the front door instead Her world will never be the same Includes both novellas *The Witchling Series* Lizzy Ford, 2017 Xander's Chance (#1, Damian Eternal) Lizzy Ford, 2013-03-20 As the single most powerful vampire on the planet Xander is the ultimate bored predator with too much time on his hands He manipulates the minds of immortals for fun and bullies around the Gods while guarding the secret source of his power a crystal that can wipe out the planet But beneath the surface he's a shrewd creature who learned the brutal lesson of why there must be a balance between good and evil An unwilling protector of the playthings known as humans he knows when and where to use his power and never to let anyone close enough to betray him It's easy to do since he has the power to read the minds of everyone around him Except for one Jessi an innocent looking woman with an unusual talent who shows up unexpectedly in his life Her sudden appearance is too convenient to be coincidence or chance Xander determines quickly that she was sent by someone but he can't read her mind to discover why Jessi's secret and Xander's have the power to forever change the human world Intrigued by a new sort of challenge Xander won't know how much danger he's in until he's placed his fate in the hands of a woman whose betrayal will cost either his heart or his life Damian's Immortal Lizzy Ford, 2011-12-02 *Damian's Oracle* Lizzy Ford, 2011 Sketches of the Poetical Literature of the past half century, in six lectures, etc David Macbeth MOIR, 1851 *Sketches of the Poetical Literature of the Past Half-century* David Macbeth Moir, 1856 **Sketches of the Poetical Literature of the Past Half-century in Six Lectures** David Macbeth Moir, 1851 **The Illustrated Magazine**, 1865 **Sharpe's London magazine, a journal of entertainment and instruction.
