The Growing Darkness:

The Growing Darkness MW Beck, 2010-06-11 A good man is a good man It is his goodness that will turn him away from the temptation of evil A relic of great power over good and evil is lost It is the salvation of one nation while the destruction of another Lost to those who need it it is found by those that would take its power for their own The sparks of a world in danger are lit It is up to one woman to find the relic and bring it safely back to her own lands She will be joined by brave souls with challenges of their own Entwined are the lives of many who must rise above themselves and seek out the greatest adventure of their lives for if they do not all could be lost to the darkness of evil They are strong and valiant but will they be able to stop the activation of this relic and save the world they know in time *Dark Magic* Christine Feehan, 2010-06-08 Young

Bill Valiontis, 2023-12-10 52 Short Stories *The Death Song of Wen'etra* Wesley R. Turner, 2022-06-03 Over twenty years have passed since the ancient Ushani tablets were uncovered Now translated they reveal an epic tale that once became the pillar of a long dead civilization Like many cultures the Ushani had a creation story At the beginning of all things the deity Wen Eba created everything He manipulated the vast colors within himself to form the beasts of the air land and sea all creatures were given the perfect amount of life color according to their needs Even the trees were created with their colors to be sustained by the earth From the tallest trees Wen Eba sculpted the first humans giving them part of his own spirit He

set them apart from all other creatures by not giving them color according to their needs Rather he wanted to give them life directly from himself that mankind might be sustained by their creator Tragically mankind soon rejected the will of their deity seeking their missing color in the ground From it they pulled gemstones and precious metals colors that were meant to sustain the earth As their world slowly starved to death their retribution began to awaken Finally the greed of mankind unleashed a vengeful being known as Wen etra the flame that consumes all color Though mankind had been ravaged by Wen etra for many years Wen Eba did not forget them A prophecy spoke of a hero who would someday rise to defeat the flame and restore all creation to newness and life This ancient myth chronicles the rise and fall of the Ushani people as well as their redemption at the hands of their legendary hero Aedliss
