The Heiress And The Cowboy Contractor Cowboys After Dark 7:

The Heiress and the Cowboy Contractor Maggie Carpenter, 2015-01-10 This is what I'd suggest he drawled You find yourself a builder who doesn't mind being spoken to like a lackey and who isn't particular about being called by their name and I'll bet the two of you will get along just fine but me I'm leavin' In this sizzling romance Beau Chapman a hunky horse trainer who is also an experienced builder crosses swords with Nicole Harris a spoiled wealthy heiress It doesn't take long for Beau to show her just how he feels about her arrogant attitude and foul mouth and pulls her across his knee for a well deserved spanking Though Nicole was initially intrigued by his take charge personality she is truly shocked when Beau's hot hand makes her heart race and her body tingle with excitement Beau doesn't take kindly to Nicole's demanding behavior but as the days tick by the tempestuous diva remains an absent but constant companion her face in the forefront of his thoughts When Cupid pulls back his bow he shoots his arrow straight and sure and the electricity between Beau and Nicole crackles

The Heiress and the Cowboy Dahlia Rose, 2015 Kerri Sloan was always on the news lights and cameras in her face and she was known as the diamond heiress Not because of the wealth she'd amassed but because she was cold as the jewels she wore Now she was on his ranch waving a blank check thinking he'd sell out his dream Alex Mendoza had two words for the gorgeous woman and they weren't I'll sell But she wasn't giving up and after one heated discussion at a town hall meeting he shut her up with a kiss Alex instantly regretted the kiss because all he could do was think about bedding her each time he saw her It scared the hell out of him that he might be falling in love Kerri took one look at Alex and assessed him as a typical Texas cowboy which was unfair because she was presumed to be something she wasn't She made her wealth and men hated her for it So why would he be any different Then Alex had to kiss her and complicate everything How could she dislike a man who made her body tremble with just one touch They had nothing in common and were as combustible as crude oil and an open flame She could deny it all she wanted but Kerri craved the heat they created She knew everything about the boardroom stocks and building her empire and nothing about losing her heart
