The History Of Palestine:

A History of Modern Palestine Ilan Pappé, 2004 Ilan Pappé writes the story of Palestine a land inhabited by two peoples It begins with the Ottomans in the early 1800s and traces a path through the arrival of the early Zionists at the end of that century through the British mandate at the beginning of the twentieth century the establishment of the state of Israel in 1948 and the subsequent wars and conflicts which culminated in the intifadas of 1987 and 2000 While these events provide the background to the narrative and explain the construction of Zionist and Palestinian nationalism at centre stage are those who lived through these times men women and children Jews and Arabs It is a story of coexistence as well as oppression occupation and exile Ilan Pappé is well known as a revisionist historian of Israel Lucid and typically forthright his account is a unique contribution to the history of this troubled land *A History of Palestine* Gudrun Krämer, 2008-02-03 It is impossible to understand Palestine today without a careful reading of its distant and recent past But until now there has been no single volume in English that tells the history of the events from the Ottoman Empire to the mid twentieth century that shaped modern Palestine The first book of its kind *A History of Palestine* offers a richly detailed interpretation of this critical region's evolution Starting with the prebiblical and biblical roots of Palestine noted historian Gudrun Krämer examines the meanings ascribed to the land in the Jewish Christian and Muslim traditions Paying special attention to social and economic factors she examines the gradual transformation of Palestine following the history of the region through the Egyptian occupation of the mid nineteenth century the Ottoman reform era and the British Mandate up to the founding of Israel in 1948 Focusing on the interactions of Arabs and Jews *A History of Palestine* tells how these connections affected the cultural and political evolution of each community and Palestine as a whole *A New Critical Approach to the History of Palestine* Ingrid Hjelm, Hamdan Taha, Ilan Pappé, Thomas L. Thompson, 2019-06-07 *A New Critical Approach to the History of Palestine* discusses prospects and methods for a comprehensive evidence based history of Palestine with a critical use of recent historical archaeological and anthropological methods This history is not an exclusive history but one that is ethnically and culturally inclusive a history of and for all peoples who have lived in Palestine After an introductory essay offering a strategy for creating coherence and continuity from the earliest beginnings to the present the volume presents twenty articles from twenty two contributors fifteen of whom are of Middle Eastern origin or relation Split thematically into four parts the volume discusses ideology national identity and chronology in various historiographies of Palestine and the legacy of memory and oral history the transient character of ethnicity in Palestine and questions regarding the ethical responsibilities of archaeologists and historians to protect the multi ethnic cultural heritage of Palestine landscape and memory and the values of community archaeology and bio archaeology and an exploration of the ideology of the land and its influence on Palestine's history and heritage The first in a series of books under the auspices of the Palestine History and Heritage Project PaHH the volume offers a challenging new departure for writing the history of Palestine and Israel

throughout the ages A New Critical Approach to the History of Palestine explores the diverse history of the region against the backdrop of twentieth century scholarly construction of the history of Palestine as a history of a Jewish homeland with roots in an ancient biblical Israel and examines the implications of this ancient and recent history for archaeology and cultural heritage The book offers a fascinating new perspective for students and academics in the fields of anthropological political cultural and biblical history

Biblical Narrative and Palestine's History Thomas L. Thompson, 2014-09-11 Modern biblical scholarship's commitment to the historical critical method in its efforts to write a history of Israel has created the central and unavoidable problem of writing an objective and critical history of Palestine through the biblical literature with the methods of Biblical Archaeology Biblical Narrative and Palestine's History brings together key essays on historical method and the archaeology and history of Palestine The essays employ comparative and formalistic techniques to illuminate the allegorical and mythical in Old Testament narrative traditions from Genesis to Nehemiah In so doing the volume presents a detailed review of central and radical changes in both our understanding of biblical traditions and the archaeology and history of Palestine The study offers an analysis of Biblical narrative as rooted in ancient Near Eastern literature since the Bronze Age

A History of Palestine, 634-1099 Moshe Gil, 1997-02-27 Moshe Gil's history of Palestine from the Muslim conquest to the Crusades was the first comprehensive survey of its kind Based on an impressive array of sources the author examines the lives of the Jewish Christian and Muslim communities of Palestine against a background of the political and military events of the period

Jerusalem in Ancient History and Tradition Thomas L. Thompson, 2004-05-01 An international team of historians archaeologists and biblical scholars discuss new perspectives on the archaeology history and biblical traditions of ancient Jerusalem and examine their ethical literary historical and theological relationships Essays range from a discussion of the Hellenization of Jerusalem in the time of Herod to an examination of its identity and myth on the Internet while Thomas L. Thompson's informed Introduction queries whether a true history of ancient Jerusalem and Palestine can in fact ever be written Contributors include Thomas L. Thompson Michael Prior Niels Peter Lemche Margreet Steiner Sara Mandell John Strange Firas Sawwah Lester Grabbe Philip Davies Thomas M. Bolin Ingrid Hjelm David Gunn and Keith Whitlam

The History of Palestine, from the Patriarchal Age to the Present Time John Kitto, 1851

The History Of The Canterbury Mounted Rifles 1914-1919 [Illustrated Edition] Lt Col C. G. Powles, 2014-06-13 Contains over 60 illustrations and 10 maps Great War history of a New Zealand cavalry unit which fought as infantry at Gallipoli and suffered severe casualties The Canterbury Rifles resumed its mounted roll in Egypt in the desert campaign culminating in taking Jerusalem and Jericho in 1918 The New Zealand Canterbury Mounted Rifles like other cavalry units fought dismounted in the Gallipoli campaign and suffered horrendous losses there After the evacuation of the Gallipoli Peninsula the unit's remnants were refitted in Egypt and then committed to the Sinai and Palestine campaigns They took part in the battles of Rafa Romani and Gaza and in the

advance to Jerusalem and Jericho in 1918 Throughout their time in the desert they fought in the mounted role for which they had originally been trained They ended the war after the Armistice by returning to the Gallipoli Peninsular where they had suffered so much The book is profusely illustrated by a range of interesting black and white photos and an appendix on the unit's horses plus a Roll of Honour list of awards etc N M Print Version **The Routledge Handbook of the History of the Middle East Mandates** Cyrus Schayegh, Andrew Arsan, 2015-06-05 The Routledge Handbook of the History of the Middle East Mandates provides an overview of the social political economic and cultural histories of the Middle East in the decades between the end of the First World War and the late 1940s when Britain and France abandoned their Mandates It also situates the history of the Mandates in their wider imperial international and global contexts incorporating them into broader narratives of the interwar decades In 27 thematically organised chapters the volume looks at various aspects of the Mandates such as The impact of the First World War and the development of a new state system The impact of the League of Nations and international governance Differing historical perspectives on the impact of the Mandates system Techniques and practices of government The political social economic and cultural experiences of the people living in and connected to the Mandates This book provides the reader with a guide to both the history of the Middle East Mandates and their complex relation with the broader structures of imperial and international life It will be a valuable resource for all scholars of this period of Middle Eastern and world history *Encyclopaedia of the History of Science, Technology, and Medicine in Non-Western Cultures* Helaine Selin, 2008-03-12 Here at last is the massively updated and augmented second edition of this landmark encyclopedia It contains approximately 1000 entries dealing in depth with the history of the scientific technological and medical accomplishments of cultures outside of the United States and Europe The entries consist of fully updated articles together with hundreds of entirely new topics This unique reference work includes intercultural articles on broad topics such as mathematics and astronomy as well as thoughtful philosophical articles on concepts and ideas related to the study of non Western Science such as rationality objectivity and method You'll also find material on religion and science East and West and magic and science **A History of the Peace Conference of Paris** Harold William Vazeille Temperley, 1924

Studies on Ottoman Social and Political History Kemal H. Karpat, 2002 Annotation The 19th century prevails in this anthology on the transformation of the late Ottoman state into modern Turkey Thirty three articles are arranged in three categories the Ottoman socio political transformation the population movements of immigration and migration and the formation of nation states with politico religious identities Karpat history U of Wisconsin has a central aim to counteract what would become bureaucratic Republican attempts by the Turkish Historical Society formerly the Ottoman Historical Society to cut off Turkish history from its Ottoman past The THS was able to do this by instead connecting the Republic with its earlier Central Asian roots and by relying too heavily on European versions of Ottoman Turkish history more unfavorable to things Ottoman Topics include the social and economic transformation of Istanbul in the 19th century Jewish population movements

in the Ottoman Empire Ottoman relations with the Balkan nations after 1683 and Romanian independence and the Ottoman state Annotation c Book News Inc Portland OR booknews com

Palestine A. W. Kayyali, 2024-11-01 First published in 1978 Palestine A Modern History traces the history of Palestine from the late nineteenth century to the outbreak of World War II It examines the Palestinian Arab response to Jewish immigration and Zionist expansion in Palestine From the outset the Palestinian Arabs viewed all Zionist activity in the country as foreign invasion and strongly resisted it However in 1917 the British occupation of Palestine entirely altered the political environment and the Palestinian response had to change accordingly Based on both British and Arab primary sources this book develops a number of interesting arguments about the history of Mandate Palestine It demonstrates the high level of political consciousness amongst the Palestinian Arabs and it shows the importance of social stratification in the nationalist movement It also makes clear the incompatibility of the declared aims of British Policy with its implementation in Palestine In this regard the book explores the important conflicts between the local mandatory authorities and the imperial policies adopted by the British government in London This is an important historical reference work for scholars and researchers of Palestine studies Middle East politics peace and conflict resolution and international relations
