about the apartment being haunted But that was ridiculous A ghost couldn't be here opening my drawer moving my vibrator touching my shoulder Could it No of course not I answered my own question speaking out loud to break the deafening quiet I shook my head at myself hardly believing that I was being so silly and moved to go close the drawer again This time I was pushed back flat against my mattress by an invisible force I hit the bed with a thud my breath catching in my throat I was too stunned to try to move but the feeling of icy tendrils on my wrists told me that I wouldn't be able to even if I did make an attempt
