The History of the Hudson River Valley Vernon Benjamin (College teacher),2016 Called thoroughly informative and approachable by The New York Times Vernon Benjamin s The History of the Hudson River Valley From Wilderness to the Civil War presented nearly 250 years of the Hudson River Valley s dynamic past with unmatched richness and detail And now with The History of the Hudson River Valley from the Civil War to Modern Times Benjamin completes his historical account of the region by taking readers from the post Civil War period into the present day Here we see the formation of the great estates of the Valley including the Rockefellers Sunnyside and Olana and the book shows us how the turn to the twentieth century brought a new era of population growth and prosperity to the region A young Franklin Delano Roosevelt takes his first political steps in the New York senate during this time and Thomas Dewey s work as the New York State governor morphed him into a viable candidate on the national political stage as well In short the twentieth century Hudson River Valley was a hotbed of wealth influence and culture a vibrant scene of American development as significant as any our country has seen By taking his narrative all the way into the post September 11th present moment Vernon Benjamin finishes his engaging readable and comprehensive history of one of America s most significant and culturally important regions

centuries this drowned landscape would be the site of a truly historic flowering of art literature architecture innovation and revolutionary fervor drawing comparisons to another fertile cultural haven built around a mighty river in Western Europe As historian Vernon Benjamin chronicles the Hudson River Valley has been a place of contradictions since its first settlement by Europeans Discovered by an Englishman who claimed it for the Dutch the region soon became home to the most vibrant trading outpost for the New World colonies the Island of Manhattan even as the rest of the valley retained the native beauty that would inspire artists from James Fenimore Cooper to Thomas Cole Because of its unique geography and proximity to Canada the Hudson Valley became the major theater for the battle between empires in the French and Indian War When the colonists united in rebellion against the British several decades later conflict came to the region once again with decisive military engagements from Saratoga to West Point to the occupied New York Harbor In the aftermath New York emerged as the capital of a new nation and wealth from the city flowed north to the burgeoning Valley leading to a renaissance of culture and commerce that is still evident today Publisher s website      **The Hudson** Wallace Bruce,2015-06-27 Excerpt from The Hudson Three Centuries of History Romance and Invention Hendrick Hudson and Robert Fulton are closely associated in the history of our river and more particularly at this time as the dates of their achievements unite the centennial of the first successful steamer in 1807 with the tri centennial of the discovery of the river in 1609 In fact these three centuries of navigation with rapidly increasing development in later years might be graphically condensed Half Moon 1609 Clermont 1807 Hendrick Hudson 1906 Singularly enough the discovery of Hendrick Hudson and the invention of Robert Fulton are also similar in having many adverse claimants who forget the difference between attempt and accomplishment About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works      The History of the Hudson River Valley Boxed Set Vernon Benjamin,2017-11-14 The two essential volumes of the grand sweeping history of the storied region where America was truly born and came of age now available in a handsome boxed set      **History of the City of Hudson, New York; with Biographical Sketches of Henry Hudson and Robert Fulton** Anna Rossman Bradbury,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1909 edition Excerpt the property number 231 Warren street which they occupied until June 17 1907 when they removed to their new building number 520 on the same street Oliver Wiswall was President of the Hudson River Bank until 1855 when its charter expired and the present organization commenced operations under the presidency of Robert A
