Conan Meets the Academy Jonas Prida, 2012-12-04 Robert E Howard penned a series of fantasy stories in 1932 featuring Conan a hulking warrior from Cimmeria who roamed the mythical Hyborian Age landscape engaging in heroic adventures More than the quirky manifestation of Depression era magazines Conan the Barbarian has endured as a cultural mainstay for over 70 years This multidisciplinary collection offers the first scholarly investigation of Conan from Howard's early stories through midcentury novels and Arnold Schwarzenegger's iconic films to the 2011 cinematic remake of Conan the Barbarian Drawing on disciplines such as stylometry archeology cultural and folklore studies and literary history the essays examine statistical analyses of the words in Conan texts the literary genesis of Conan later day parodies Conan video games and much more This volume reveals the hidden scholarly depth of this seemingly unsophisticated fictional character

Legal Stories Gregory Steirer, 2024-07 Tracing the emergence of what the media industries today call transmedia story worlds and narrative franchises Legal Stories provides a dual history of copyright law and narrative based media development between the Copyright Act of 1909 and the Copyright Act of 1976 Drawing on archival material including legal case files and employing the principles of actor network theory Gregory Steirer demonstrates how the meaning and form of narrative based property in the twentieth century was integral to the letter and practice of intellectual property law during this time Steirer's expansive view of intellectual property law encompasses not only statutes and judicial opinions but also the everyday practices and productions of authors editors fans and other legal laypersons The result is a history of the law as improvisatory and accident prone taking place as often outside the courtroom as inside and shaped as much by laypersons as lawyers Through the examination of influential legal disputes involving early properties such as Dashiell Hammett's Sam Spade H P Lovecraft's Cthulhu Mythos and Robert E Howard's Conan the Barbarian Steirer provides a ground's eye view of how copyright law has operated and evolved in practice

J.R.R. Tolkien, Robert E. Howard and the Birth of Modern Fantasy Deke Parsons, 2014-11-14 The birth of modern fantasy in 1930s Britain and America saw the development of new literary and film genres J R R Tolkien created modern fantasy with The Lord of the Rings set in a fictional world based upon his life in the early 20th century British Empire and his love of language and medieval literature In small town Texas Robert E Howard pounded out his own fantasy realm in his Conan stories published serially in the ephemeral pulp magazines he loved Jerry Siegel created Superman with Joe Shuster and laid the foundation for perhaps the most far reaching fantasy worlds the universe of DC and Marvel comics The work of extraordinary people who lived in an extraordinary decade this modern fantasy canon still provides source material for the most successful literary and film franchises of the 21st century

Modern fantasy speaks to the human experience and still shows its origins from the lives and times of its creators **Racial Worldmaking** Mark C. Jerng, 2017-11-07 When does racial description become racism Critical race studies has not come up with good answers to this question because it has overemphasized the visibility of race According to dominant theories of racial formation we see race on bodies and persons and then link those perceptions to unjust practices of racial inequality Racial Worldmaking argues that we do not just see race We are taught when where and how to notice race by a set of narrative and interpretive strategies These strategies are named racial worldmaking because they get us to notice race not just at the level of the biological representation of bodies or the social categorization of persons Rather they get us to embed race into our expectations for how the world operates As Mark C Jerng shows us these strategies find their most powerful expression in popular genre fiction science fiction romance and fantasy Taking up the work of H G Wells Margaret Mitchell Samuel Delany Philip K Dick and others Racial Worldmaking rethinks racial formation in relation to both African American and Asian American studies as well as how scholars have addressed the relationships between literary representation and racial ideology In doing so it engages questions central to our current moment In what ways do we participate in racist worlds and how can we imagine and build one that is anti racist The Barbaric Triumph Don Herron, 2004-06-01 The Barbaric Triumph examines all aspects of the life and work of Robert E Howard the originator of the sword sorcery fantasy genre and the creator of Conan the Barbarian Featured are essays by Leo Grin Edwrad A Waterman Charles Hoffman Paul Spencer Mark Finn Steven R Trout Lauric Guillaud Scott Connors George Knight Don Herron and more From the phantoms of Hate simmering beneath Howard s blood drenched prose to Howard s lifelong interest in philosophy from Howard s visionary use of the American Frontier Myth to his tales of boxing The Barbaric Triumph builds on the pioneering research of Heron s previous book on Howard The Dark Barbarian and takes it to new levels **The Coming Of Conan The Cimmerian** Robert Ervin Howard, 2005 Fourteen short stories featuring Conan the Barbarian present in the first of three intended volumes several of the sword wielding fantasy hero s most popular adventures complemented by lavish black and white illustrations as well as a number of the author s original drafts and synopses 15 000 first printing Race and Popular Fantasy Literature Helen Young, 2015-08-11 This book illuminates the racialized nature of twenty first century Western popular culture by exploring how discourses of race circulate in the Fantasy genre It examines not only major texts in the genre but also the impact of franchises industry editorial and authorial practices and fan engagements on race and representation Approaching Fantasy as a significant element of popular culture it visits the struggles over race racism and white privilege that are enacted within creative works across media and the communities which revolve around them While scholars of Science Fiction have explored the genre s racialized constructs of possible futures this book is the first examination of Fantasy to take up the topic of race in depth The book s interdisciplinary approach drawing on Literary Cultural Fan and Whiteness Studies offers a cultural history of the anxieties which haunt Western popular culture in a

century eager to declare itself post race The beginnings of the Fantasy genre s habits of whiteness in the twentieth century are examined with an exploration of the continuing impact of older problematic works through franchising adaptation and imitation Young also discusses the major twenty first century sub genres which both re use and subvert Fantasy conventions The final chapter explores debates and anti racist praxis in authorial and fan communities With its multi pronged approach and innovative methodology this book is an important and original contribution to studies of race Fantasy and twenty first century popular culture

The Evolution of Modern Fantasy Jamie Williamson,2015-07-09 In this comprehensive study Williamson traces the literary history of the fantasy genre from the eighteenth century to its coalescence following the success of Tolkien s work in the 1960s While some studies have engaged with related material there has been no extended study specifically exploring the roots of this now beloved genre

The Dark Barbarian Don Herron,1984-12-01 This is the definitive critical anthology on the writings of Texan Robert Howard the originator of Sword Sorcery fantasy and also of Conan The Barbarian The essays survey Howard s work in fantasy westerns poetry and supernatural horror tales 75+
