

THE INSPIRATION & AUTHORITY OF SCRIPTURE

I. The Bible Affirms God Is Its Origin

A. The Authors Affirm Divine Inspiration

☞ **2 Tim. 3:16-17** All writers of Old & New Testaments inspired of God

16 **All scripture** is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness:

17 That the man of God may be perfect, thoroughly furnished unto all good works.

The Inspiration And Authority Of Scripture:

The Inspiration and Authority of the Bible Benjamin Breckinridge Warfield, 1948 Textual and higher criticism have decimated the faith of many and made divinity schools message less This is an analysis of questions asked by textual and higher criticism with the purpose of vindicating the viewpoint of an infallible Bible Inspiration and Authority Paul J. Achtemeier, 1999 In an evaluation of the Scriptures as the word of God inspiration is an essential element The long Protestant experience with this issue is both fruitful and painful for many have drawn false conclusions from the justified belief in inspiration Paul Achtemeier is a first rate scholar who combines scientific investigation with faith and his sensitivity and honest make this a most useful book for all interested in the Bible A better practical book on the subject would be hard to find Raymond E Brown former Auburn Distinguished Professor Emeritus Union Theological Seminary New York if Achtemeier s book reaches that large body of Christians looking for a nonfundamentalistic doctrine of Scripture it could play a major role in creating a framework for them He comes across as possessing a deep love and respect for the Bible and for the Lord and eager for people to place their minds and lives beneath its authority He offers us in the end of the doctrine of a covenantal Scripture given by God to his people for their edification and renewal a dynamic document which can perform this service two thousand years after its completion confronting us with God s Word for our situation through the power of the Spirit I am highly grateful for this book and recommend it highly to others Clark H Pinnock Professor of Theology McMaster Divinity College *Biblical Inspiration and the Authority of Scripture* Carlos R. Bovell, 2015-07-24 It has been some time since Catholic and liberal Protestant theologians stopped writing seriously on bibliology Meanwhile conservative evangelical theologians guard against the introduction of new ideas In an effort to make headway through this gridlock Carlos Bovell has commissioned a roundtable discussion on the prospect of whether the inspiration of Scripture might extend beyond authors and texts and if so what this might entail for the authority of Scripture Taken together the essays in this volume make an invaluable contribution to contemporary literature on the inspiration and authority of the Bible *The Inspiration and Authority of Holy Scripture* John Monro Gibson, 1908 The Inspiration and Authority of Holy Scripture George Duncan Barry, 1919 **The Inspiration and Authority of Scripture** René Pache, 1992-06 **The Inspiration and Authority of the Bible** John Clifford, 1892 **The Inspiration and Authority of Scripture** René Pache, 1969 **The Inspiration of Scripture** Paul J. Achtemeier, 1980 Christians generally agree that the Scriptures are inspired and that this doctrine is of basic importance But how is the doctrine of inspiration to be understood and what does it mean for our Christian faith Paul Achtemeier shows how recent knowledge of the way the Scriptures were formed raises problems in regard to the traditional understanding of inspiration In response he presents possibilities for a new approach to inspiration that is compatible with recent critical discoveries and allows the Bible to continue to play a meaningful role He deals with liberal and conservative views specific contradictions in the Bible and what the Bible says about itself A perceptive study *The Inspiration of Scripture*

proposes a view of inspiration that makes sense for today and probes its implications for the believer and the believing community The Inspiration and Authority of Holy Scripture: A Study in the Literature of the First Five Centur George Duncan Barry, 2022-10-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
