The Institutionalised Trilogy:

Phenomenologies of the City Henriette Steiner, Maximilian Sternberg, 2016-03-09 Phenomenologies of the City Studies in the History and Philosophy of Architecture brings architecture and urbanism into dialogue with phenomenology Phenomenology has informed debate about the city from social sciences to cultural studies Within architecture however phenomenological inquiry has been neglecting the question of the city Addressing this lacuna this book suggests that the city presents not only the richest but also the politically most urgent horizon of reference for philosophical reflection on the cultural and ethical dimensions of architecture The contributors to this volume are architects and scholars of urbanism Some have backgrounds in literature history religious studies and art history The book features 16 chapters by younger scholars as well as established thinkers including Peter Carl David Leatherbarrow Alberto Perez Gomez Wendy Pullan and Dalibor Vesely Rather than developing a single theoretical statement the book addresses architecture's relationship with the city in a wide range of historical and contemporary contexts The chapters trace hidden genealogies and explore the ruptures as much as the persistence of recurrent cultural motifs Together these interconnected phenomenologies of the city raise simple but fundamental questions What is the city for how is it ordered and how can it be understood The book does not advocate a return to a naive sense of unity or order Rather it investigates how architecture can generate meaning and forge as well as contest social and cultural representations

The Winnowing Flame Trilogy Jen Williams, 2022-12-01 Join the heroes of the THE WINNOWING FLAME TRILOGY as they battle a terrible and ancient evil in the complete collection from the two time British Fantasy Award winning author Jen Williams Perfect for fans of Adrian Tchaikovsky Brandon Sanderson and Scott Lynch Diverse different and intriguing this is fantasy at its very best STARBURST _____ THE NINTH RAIN The great city of Ebora once glittered with gold Now its streets are stalked by wolves Tormalin the Oathless has no taste for sitting around waiting to die and when eccentric explorer Lady Vincenza Vintage de Gazon offers him employment he sees an easy way out Joined by a fugitive witch with a tendency to set things on fire the adventurers are quickly drawn into a tangled conspiracy of magic and war For the Jure lia are coming and the Ninth Rain must fall THE BITTER TWINS The Ninth Rain has fallen The Jure lia are awake Tormalin the Oathless and the fell witch Noon must rally the first war beasts to be born in Ebora for three centuries hatched too soon and with no memory of their past incarnations these winged creature are unprepared to face an ancient enemy who grow stronger each day Vintage believes the key to uniting the war beasts may lie on a distant and mysterious island A perilous journey lies ahead while new monsters lie in wait for those left behind THE POISON SONG The war is far from over In Ebora all is chaos all is confusion The connection that Tormalin Noon and Vintage share with their war beasts has kept them alive so far but with Tor's sister Hestillion hell bent on bringing ruthless order to the next enemy attack the people of Sarn will need all the help they can get Noon knows just where to recruit a new and powerful army But even she underestimates the epic quest that is to come a reckoning that will change Sarn forever

_____ READERS LOVE THE WINNOWING FLAMES TRILOGY One of my FAVOURITE epic fantasies takes all the old favourite conventions and tropes and changes them for the better Jen Williams takes world building to a different level entirely A fantastic unique world wonderful characters plenty of snark and humour weird and wonderful monsters and some brutal plot twists One of my favourite fantasy series in years I could not put my Kindle down One of the best combinations of stunning world building epic storytelling and memorable characters I've ever read The kind of inventive diverse and emotional fantasy writing the genre really needs so creative so vibrant and refreshingly different Quite simply one of the best fantasy novel trilogies I have read in a long time The kind of fantasy that makes you feel really really good It gives you hope It feeds your soul

Justice and Revenge in Contemporary American Crime Fiction Stuart Sim, 2015-04-08 The detective figure in contemporary American crime fiction increasingly relies on revenge to bring about justice in a society where there has been a sharp decline in moral values This study demonstrates how the notion of the detective as a moral exemplar or heroic ideal breaks down in the works of writers such as James Ellroy and Sara Paretsky

Untaming Girlhoods Cristina Santos, 2023-03-31 This is an interdisciplinary examination of depictions of girlhoods through a comparative study of foundational fairy tales revised and reimagined in popular narrative film and television adaptations The success of franchises such as The Hunger Games Twilight and Divergence have re-presented the young heroine as an empowered female and often a warrior hero in her own right Through a selection of popular culture touchstones this empowerment is questioned as a manipulation of feminist ideals of equality and a continuation of the traditional vision of female awakening centering on issues of personal choice agency physical violence purity and beauty By investigating re-occurring storytelling frameworks and archetypes Untaming Girlhoods examines different portrayals of girlhoods in the 20th and 21st century Anglo American cultural imaginary that configure modern girlhoods beyond the fairy tale princess or the damsel in distress into refigurations that venture away from the well trodden path for a new breakaway path to authentic selfhood This will be a useful and enlightening text for students and researchers in Girlhood Studies Gender Studies Film Studies Popular Culture and Media Studies

Deleuze and the Schizoanalysis of Dystopia Rahime Çokay Nebioğlu, 2020-06-19 This book offers an insightful history of dystopian literature integrating it within the conceptual schemas of Deleuze and Guattari Unlike earlier examples of dystopia which depict representations of a possible future that is remarkably worse than present society contemporary dystopia often tends to portray an almost allegorical re-presentation of present society Tracing dystopia's shift from transcendence towards immanence with the rise of late neoliberal capitalism and control societies okay Nebio lu skilfully constructs a new taxonomy of dystopian fiction to address this changing dynamic Accompanied by a subtle exploration of earlier and later examples of the genre by George Orwell Aldous Huxley Suzanne Collins Veronica Roth William Gibson Max Barry Dave Eggers Cindy Pon and Tahsin Y cel along with rich and nuanced analysis of China Mieville's Perdido Street Station and Margaret Atwood's MaddAddam trilogy the book seeks not only to track the transformation of dystopia in light of worldwide cultural political and economic transformation but also to conduct a schizoanalytic reading of dystopia thus

opening up an exciting field of enquiry for Deleuzian scholars

Constitutional Argument and Institutional Structure in the United States Nicholas Papaspyrou, 2018-03-22 US constitutional jurisprudence often conflates two distinct enquiries how to interpret the Constitution and how to allocate interpretive authority This book explains the distinct role of judgements about interpretive authority in constitutional practice It argues that these judgements do not determine what qualifies as good constitutional argument and cannot substitute for it Rather they specify the division of labour between the political branches and the judiciary in forming applicable constitutional determinations This explanation of the structure of constitutional reasoning sets the stage for the development of a normative theory about each enquiry The book advances a theory of substantive constitutional argument It argues that constitutional interpretation is a special kind of practical reasoning aiming to construct and specify morally sound accounts of the Constitution and surrounding constitutional practice Yet this task is entrusted to a scheme of institutions as agents of free and equal citizens

The standard of review is an interlocking component of that scheme regulating the judicial assignment As such it should aim to facilitate best performance of the overall interpretive task so that the judicial process settles on appropriate constitutional determinations grounded on morally sound reasons that reach all citizens and uphold the fundamental commitments to freedom and equal citizenship

Lewis Grassic Gibbon William K. Malcolm, 2020 Anita Brookner was known for writing boring books about lonely single women Misreading Anita Brookner unlocks the mysteries of the famously depressed Brookner heroine by creating entirely new ways to read six Brookner novels Drawing on Brookner's legacy as a renowned historian of French Romantic art and on diverse intertextual sources from Charles Baudelaire to Henry James Ren e Vivien and Freud this book argues that Brookner's solitary twentieth century women can also be seen as variations of queer nineteenth century male artist archetypes Conjuring a cast of Romantic personae including the fl neur the dandy the aesthete the military man the queer the analysand the degenerate and the storyteller it illuminates clusters of nineteenth century behaviours which help decode the lives of Brookner's twentieth century women This exploration of Brookner's performative Romanticism exposes new depths within her outsider introverts who are revealed as a subversive blend of The historical the contemporary the masculine and the feminine

Deconstructing the Starships Gwyneth Jones, 1999-04-01 The subject matter of this collection is varied but displays Jones stance as a practising SF writer and a feminist the writing is characterised by both an incisive engagement with the texts and a refusal to dress that engagement in jargon This very readable book provides insight into the work of one of our most interesting writers and presents strong sometimes even subversive views of a range of modern SF and fantasy

The Rising of the Moon Ella O'Dwyer, 2003-01-20 The Rising of the Moon puts the radical changes in current political dialogue in Ireland into the context of the whole of the 20th century Exploring the dynamics of power and language Ella O Dwyer compares the literature of Beckett Conrad and Chinua Achebe amongst others to accounts of real events in Ireland's political history She also examines accounts of particular events in Irish history that include Rex Taylor's biography of Michael Collins Gerry Adams's biography and even messages from hunger striker Bobby Sands that were smuggled out of prison In a country where people have been subjected to incarceration and victimisation and where the political discourse is characterised by slogans repetition agreement and treaty the implications for the national language and identity are immense Ella O Dwyer shows how oppression has obstructed and fractured the nature of Irish national discourse and that this fragmented voice is a feature of all postcolonial narrative

The Orphan in Fiction and Comics since the 19th Century Marion Gymnich, Barbara Puschmann-Nalenz, Gerold Sedlmayr, 2018-07-27 The orphan has turned out to be an extraordinarily versatile literary figure By juxtaposing diverse fictional representations of orphans this volume sheds light on the development of cultural concepts such as childhood family the status of parental legacy individualism identity and charity The first chapter argues that the figure of the orphan was suitable for negotiating a remarkable range of cultural anxieties and discourses in novels from the Victorian period This is followed by a discussion of

both the rare examples of novels from the first half of the 20th century in which main characters are orphaned at a young age and Anglophone narratives written from the 1980s onward when the figure of the orphan proliferated once more. The trope of the picaresque, the theme of absence and the problem of parental substitutes are among the issues addressed in contemporary orphan narratives. The book also looks at the orphan motif in three popular fantasy series: namely Rowling's Harry Potter septology, Pullman's His Dark Materials trilogy and Martin's A Song of Ice and Fire series. It then traces the development of the orphan motif from the end of the 19th century to the present in a range of different types of comics, including funnies and gag-a-day strips, superhero comics, underground comix and autobiographical comics.

Contemporary French and Scandinavian Crime Fiction Anne Grydehøj, 2021-07-05. This book offers a study of Danish, Norwegian, Swedish and French crime fictions covering a fifty-year period. From 1965 to the present, both Scandinavian and French societies have undergone significant transformations. Twelve literary case studies examine how crime fictions in the respective contexts have responded to shifting social realities, which have in turn played a part in transforming the generic codes and conventions of the crime novel. At the centre of the book's analysis is crime fiction's negotiation of the French model of Republican universalism and the Scandinavian welfare state, both of which were routinely characterised as being in a state of crisis at the end of the twentieth century. Adopting a comparative and interdisciplinary approach, the book investigates the interplay between contemporary Scandinavian and French crime narratives, considering their engagement with the relationship of the state and the citizen and notably with identity issues: class, gender, sexuality and ethnicity, in particular.

Goodna Girls Adele Chynoweth, 2020-09-02. *Goodna Girls* tells the story of children incarcerated in Wolston Park Hospital, an adult psychiatric facility in Queensland, Australia. It contains the personal testimonies of women who relate, in their own words, in a no-holds-barred style and often with irreverent humour, how they as children ended up in Wolston Park and how this affected their adult lives. The accounts of hospital staff who witnessed the effects of this heinous policy and spoke out are also included. The book examines the consequences of the Queensland Government's manipulation of a medical model to respond to juvenile delinquents, many of whom were simply vulnerable children absconding from abusive conditions. As Australia faces the repercussions of the institutionalisation of its children in the twentieth century brought about through a series of government inquiries, *Goodna Girls* makes a vital contribution to the public history of the Stolen Generations, Former Child Migrants and Forgotten Australians. *Goodna Girls* presents the research that informed a successful collective campaign to lobby the Queensland Government to make long overdue and much needed reparations to a group of courageous survivors. It holds contemporary resonance for scholars, policymakers and practitioners in the fields of public history, welfare, child protection, education, nursing, sociology, medicine and criminology.

By Northern Lights Anne Buttmer, Tom Mels, 2017-05-15. Swedish society has recurrently shown a keen geographical sense, meticulously documenting all matters relating to environments, resources and human activities through space and time from the sixteenth century on. Throughout the twentieth century in

particular Sweden won international acclaim for its groundbreaking geographic work on spatial planning climate change time space modelling and landscape history by the likes of Ahlmann De Geer Enequist H gerstrand Kant Olsson and William Olsson More recently with the rising tide of post modernity and multiple processes of globalization there has been a good deal of debate about novel lines of enquiry into nature and culture issues of gender identity and diversity justice and environmental concern all of these have sparked a renewed interest in the history and philosophy of the field Following on from Anne Buttimer s renowned *Geography and the Human Spirit* this book not only offers the first book length contextual account of the development of geographic thought in Sweden but also provides a narrative thread which traces continuity and change in both cognitive styles and professional practices of geography in general **Generations** Judith

Burnett, 2016-04-15 *Generations The Time Machine in Theory and Practice* challenges the fragmented and diverse use of the concept of generation commonly found in the social sciences It approaches the concept in a manner that stretches the sociological imagination away from its orientation toward the present by building the concept of the passage of time into our understanding of the social It proposes an innovative and exciting view of the field of generations lifting it out from life course and cohort analysis and reconstituting the area with fresh and dynamic ways of seeing With its unique intellectually innovative and sustained critical study of generational work *Generations* will appeal to scholars across a range of social sciences and humanities and will be of particular interest to social theorists and anthropologists as well as sociologists of social history consumption identity and culture *Time, Tide and History* Brigid Rooney, Fiona Morrison, 2024-06-01 *Time Tide and History* Eleanor Dark s *Fiction* is the first book length edited collection of scholarly essays to treat the full span of Eleanor Dark s fiction advancing a recent revival of critical and scholarly interest in Dark s writing This volume not only establishes a new view of Dark s fiction as a whole but also reflects on the ways in which her fiction speaks to our present moment in the context of a globally fraught post pandemic Anthropocene era Above all the revisiting of Dark s fiction is mandated by a desire to recognise the ways in which it anticipates vital debates in Australian literary and national culture today about settler colonialism and its legacies and with regard to the histories condition and status of Australia s First Nations people This volume interweaves varied topical themes from formal debates about modernism historical realism and melodrama to questions about modernity s time and space about gender and cultural difference and about the specifics of built and natural environments *Time Tide and History* intentionally loosens the conventions of literary scholarship by including other kinds of work alongside critical and scholarly readings a written dialogue between two contemporary historians about Dark s legacy and a biographical piece on the life and role of Eleanor Dark s husband Eric Payten Dark Bringing together the interwar fiction s feminist and modernist dimensions with the historical turn of *The Timeless Land* trilogy the essays in *Time Tide and History* collectively pursue ethical and political questions while teasing out the distinctive thematic formal and aesthetic features of Dark s fiction

The Top Books of the Year The Institutionalised Trilogy The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
