MUTATION

This fighter is an **explorer**.

Blocked hexes do not block line of sight for this fighter.

Reaction: After a friendly fighter's **Attack** action that takes an enemy fighter out of action, if this card is in your hand, give this upgrade to that friendly fighter.

The Gifted Sight:

The Gifted Sight Lottie Wright, 2014-11-04 Oakley is a seventeen year old that has lived in many different states as her mom's job moves them around a lot. It's hard being a new student. But it is even harder to be a new student that is crazy. Oakley's mom reminds her regularly that she is unlike any other kids and that she is crazy. Oakley has episodes in the form of dreams; they are so real and so scary. She sometimes has episodes when she is awake; she sees people no one else can. Oakley never thought she'd find a boyfriend yet she meets Cale at her new school. Through Cale she learns that her mom has lied to her about being crazy among other things. Her episodes are more real than dreams after all. With help and practice Oakley can use her gift of sight to help people she has never seen before and some people she knows. She is able to control her gift to find criminals from rapists to murderers. Unfortunately her gift comes with a price.

The World Through Blunted Sight Patrick Trevor-Roper, 2012-11-01 How did faulty or failing eyesight affect the style and technique of writers and artists? How did it affect the way they convey their visual impressions? In a classic study first published in 1970 and thoroughly revised in 1988 Patrick Trevor Roper combines his professional knowledge of ophthalmology with his extensive familiarity with art and literature to fascinatingly examine the work of painters, sculptors, poets and prose writers. Looking at the effects of myopia, cataracts, colour blindness, squints and total blindness he speculates on what the impact would have been on artists had they worn glasses. Illustrated with colour reproductions and a wealth of black and white photos this was a true labour of love from a highly cultured man, erudite and stimulating.

The Home Companion, 1854 **The Chronicles of Elijah** Craig B. Polenz, 2011-04 Step by step we shall follow the prophet Elijah through God's holy terrain, diligently dissecting divine truths along the awe-inspiring highway toward glory. We shall shake the ground of religion and rattle the cage of restraint. God's intent is to set us free. But are you inclined to follow no matter the cost? In this informative and approachable guide Craig Polenz carefully examines each aspect of Elijah's life and explains its relevance in terms we can easily understand today. Whether it is responding to God's initial call, pulling oneself out of the pit of despair and self-pity or surviving the whirlwind of everyday living, there are valuable lessons to be gleaned from the prophet. It is only when we set aside everything else to seek God wholeheartedly that we can become His inspired and divinely empowered agents of change. In an expert blend of studious research and humor Craig shows readers that *The Chronicles of Elijah* are the perfect road map for our Christian journey.
