WORLD WAR II'S MORAL LEGACY

The Good War That Wasn't And Why It Matters

The Good War That Wasn't And Why It Matters:

The Good War That Wasn't--and Why It Matters Ted Grimsrud, 2014-11-10 A war is always a moral event. However, the most destructive war in human history has not received much moral scrutiny. *The Good War That Wasn't and Why It Matters* examines the moral legacy of this war, especially for the United States. Drawing on the just war tradition and on moral values expressed in widely circulated statements of purpose for the war, the book asks: How did American participation in the war fit with just cause and just conduct criteria? Subsequently, the book considers the impact of the war on American foreign policy in the years that followed. How did American actions cohere or not with the stated purposes for the war, especially self-determination for the peoples of the world and disarmament? Finally, the book looks at the witness of war opponents. Values expressed by war advocates were not actually furthered by the war. However, many war opponents did inspire efforts that effectively worked toward the goals of disarmament and self-determination. *The Good War That Wasn't and Why It Matters* develops its arguments in pragmatic terms. It focuses on moral reasoning in a commonsense way in its challenge to widely held assumptions about World War II.

The Good War Todd Strasser, 2022-02-01 A middle school must read that exposes the antisemitism in our country today. From the author of *The Wave* comes a poignant and timely novel about a group of seventh graders who are brought together and then torn apart by an afterschool club that plays a video game based on WW2. There's a new afterschool club at Ironville Middle School. Ms. Peterson is starting a video game club where the students will be playing *The Good War*, a new game based on World War II. They are divided into two teams: Axis and Allies, and they will be simulating a war they know nothing about yet. Only one team will win. But what starts out as friendly competition takes an unexpected turn for the worst when one player takes the game too far. Can an afterschool club change the way the students see each other and how they see the world? By using a gaming lens to explore the students' entrance to prejudice and radicalization, he succeeds in lending immediacy and accessibility to his cautionary tale. Studs Terkel, 2011-07-26 Winner of the Pulitzer Prize. The richest and most powerful single document of the American experience in World War II. *The Boston Globe*: The Good War is a testament not only to the experience of war but to the extraordinary skill of Studs Terkel as an interviewer and oral historian. From a pipe fitter's apprentice at Pearl Harbor to a crew member of the flight that dropped the atomic bomb on Nagasaki, his subjects are open and unrelenting in their analyses of themselves and their experiences, producing what *People* magazine has called a splendid epic history of WWII. With this volume, Terkel expanded his scope to the global and the historical, and the result is a masterpiece of oral history. Tremendously compelling, somehow dramatic and intimate at the same time, as if one has stumbled on private accounts in letters locked in attic trunks. In terms of plain human interest, Mr. Terkel may well have put together the most vivid collection of World War II sketches ever gathered between covers. *The New York Times Book Review*: I promise you will remember your war years if you were alive then with extraordinary vividness as you go through Studs Terkel's book. Or if you are too young

to remember this is the best place to get a sense of what people were feeling Chicago Tribune A powerful book repeatedly moving and profoundly disturbing People The Congressional Globe United States.  purpose and future of the church Useful and not useful parts of the Bible A doctrine of salvation that includes mosquitoes
 These are some of the topics dealt with in this controversial book Written for those who still have hope for the church as well

 salvation is something that either happens here and now on this earth or not at all Salvation is something that happens to
 bodies More importantly salvation is something that either will happen on this earth or we risk making the world

uninhabitable by human beings Souls are irrelevant when the air is dirty the water is undrinkable and there isn't enough to eat These are the things that the Bible really cares about and form the building blocks for the salvation that God offers This is also why this book is not about heaven The Bible is not a manual for getting to heaven The Bible cares very little about heaven and neither should you Salvation is about what happens to bodies on Tuesday rather than what we do Sunday morning or what happens to souls after the body dies Forget about heaven Either you trust in God or you don't Now get to work helping salvation happen

Money and Good Intentions Are Not Enough John E. Brandl, 2010-12-01 State governments are spending a lot accomplishing too little and failing to meet their responsibilities to the public In this book John Brandl argues that the usual remedies for ineffective government bureaucracy cutting or adding to budgets urging civil servants to become more entrepreneurial hiring tougher managers or appointing smarter bureaucrats won't provide substantial long term improvement Examining public schools Brandl points out that although real spending per student has tripled in the last 30 years and the average class size has shrunk from 27 to 17 educational performance has become a national disgrace He provides alternative policies that rely on harnessing self interest through competition and incentives and encouraging affiliations that inspire community to forge a strong connection between spending and results

Antichrist Superstar Timothy H. Sexton, 2000-03 The trouble all started when that Yankee playwright Anton O Masia came into town He hooked up with old Duke Forberry in Forberry's latest attempt to turn rust into gold Duke had bought the old Ritz Theatre and planned to open up competition against the Fountain of Youth Theatre you see Well that Yankee writer wrote this musical called Antichrist Superstar and Forberry put it on You can just imagine how a play with that title went over down here in the South It didn't take long for Rev Matthew Schaffner to get some protestors picketing up and down in front of the theatre They were led by that John Elway lookalike Tony Truwiss Like Anton said that boy could eat corn off the cob through a football facemask Tony sure did know how to put on a protest though He had Schaffner's older daughter Beth with him and that pretty little Erica Withershins too She's actually the one who got everything started by going to Rev Schaffner and telling him about the play in the first place A lot of people figured she did it to get even with her ex best friend Callie Pygusse who was the star of the play Not to mention sleeping with her director Anton Considering how much things got out of hand and we started making the national news it's actually a surprisingly funny story When I got the idea to make a book out of it it was already the most exciting thing to happen to our little town in years And that was well before Callie took off her clothes onstage and Beth's sister Mary revealed Pastor Schaffner's big secret and we all found out the shocking truth about Erica
