

HARLEM RENAISSANCE

GUIDED NOTES

1. After the _____, most formerly enslaved people stayed in the South. They tried to build new lives as free American citizens. But life was hard due to a number of reasons.
The formerly enslaved people were often not treated fairly. It was hard to find jobs, and there was always a threat of _____ laws were passed throughout the South. These were various laws that limited the freedoms of African Americans. The laws forced Black and white people to be _____ in most of society.
2. This meant whites and Blacks had separate _____, restaurants, schools, bathrooms, water fountains, and more. African Americans were also not allowed to move into white _____ of Black people began moving to Northern cities to escape these laws.
3. Northern cities had become _____, and more workers were needed mainly for factories.
4. Black newspapers like the Chicago _____ published ads about the jobs and opportunities in Northern cities.
5. More than six million African Americans moved from the South from 1880 to 1920. They moved to the cities of the North, Midwest, and West. This became known as the Great _____.
6. Between 1920 and 1930, the Black population of New York City grew by _____.
The New York City neighborhood of Harlem in Northern _____ was one of the most popular places for African Americans moving north. Many upper-class white people lived there, but they began moving out as more Black people moved in.
7. The 1920s in America and Europe became known as the _____. This was a time when the US had a strong economy and a changing culture.
8. New inventions like the _____ and _____ changed people's daily lives. More families were able to afford a _____ for the first time too.
9. Harlem became the center of this _____ age of Black culture. This included:
10. Harlem also became the center for Black _____.
11. The Harlem Renaissance started around _____ and lasted until the mid-1930s.
12. In 1925, _____ published a book entitled *The Souls of Black Folk*. This became an important text for the Harlem Renaissance.
13. Du Bois was a writer, professor, and activist who had influence in the Black community. He helped support the art movement that was growing in Harlem by promoting it in _____. This was the official magazine of the _____, which he was the editor of.
14. Claude _____ was a writer and poet who moved to Harlem from Jamaica. He became a central figure in the Harlem Renaissance. His poems "If It's Must Die," "Harlem Dances," and others spoke of the lives of Black Americans.
15. _____ Johnson wrote the books *The Autobiography of an Ex-Colored Man* (1912) and *God's Trombones* (1927). These were also important works of the Harlem Renaissance.
16. _____ was a writer, poet, and playwright who was a leader of the Harlem Renaissance. He was one of the earliest creators of jazz poetry. "The Weary Blues" was one of his most famous jazz poems.
17. _____ married W. E. B. Du Bois' daughter Nina. He was another important poet during this time. He was inspired by the English romantics. His major works included "Incident" and "Taboo."

The Harlem Renaissance Guided Reading Answers

Daniel S. Burt, Deborah G. Felder

The Harlem Renaissance Guided Reading Answers:

Editing the Harlem Renaissance Joshua M. Murray, Ross K. Tangedal, 2021-05-01 In his introduction to the foundational 1925 text *The New Negro* Alain Locke described the Old Negro as a creature of moral debate and historical controversy necessitating a metamorphosis into a literary art that embraced modernism and left sentimentalism behind This was the underlying theoretical background that contributed to the flowering of African American culture and art that would come to be called the Harlem Renaissance While the popular period has received much scholarly attention the significance of editors and editing in the Harlem Renaissance remains woefully understudied *Editing the Harlem Renaissance* foregrounds an in depth exhaustive approach to relevant editing and editorial issues exploring not only those figures of the Harlem Renaissance who edited in professional capacities but also those authors who employed editorial practices during the writing process and those texts that have been discovered and or edited by others in the decades following the Harlem Renaissance *Editing the Harlem Renaissance* considers developmental editing textual self fashioning textual editing documentary editing and bibliography Chapters utilize methodologies of authorial intention copy text manuscript transcription critical edition building and anthology creation Together these chapters provide readers with a new way of viewing the artistic production of one of the United States most important literary movements

Harlem Renaissance the late Nathan Irvin Huggins, 2007-05-02 A finalist for the 1972 National Book Award hailed by The New York Times Book Review as brilliant and provocative Nathan Huggins *Harlem Renaissance* was a milestone in the study of African American life and culture Now this classic history is being reissued with a new foreword by acclaimed biographer Arnold Rampersad As Rampersad notes *Harlem Renaissance* remains an indispensable guide to the facts and features the puzzles and mysteries of one of the most provocative episodes in African American and American history Indeed Huggins offers a brilliant account of the creative explosion in Harlem during these pivotal years Blending the fields of history literature music psychology and folklore he illuminates the thought and writing of such key figures as Alain Locke James Weldon Johnson and W E B DuBois and provides sharp eyed analyses of the poetry of Claude McKay Countee Cullen and Langston Hughes But the main objective for Huggins throughout the book is always to achieve a better understanding of America as a whole As Huggins himself noted he didn't want Harlem in the 1920s to be the focus of the book so much as a lens through which readers might see how this one moment in time sheds light on the American character and culture not just in Harlem but across the nation He strives throughout to link the work of poets and novelists not only to artists working in other genres and media but also to economic historical and cultural forces in the culture at large This superb reissue of *Harlem Renaissance* brings to a new generation of readers one of the great works in African American history and indeed a landmark work in the field of American Studies

A Study Guide for Langston Hughes's "Let America Be America Again" Gale, Cengage Learning, 2016
