Hack Graham Johnson, 2012-05-10 Graham Johnson was a fresh faced journalist with an ambition to break the big news stories and make his name as a star reporter when an offer came in to work at a leading tabloid he couldn't say no Instantly he found himself drawn into a world of sleaze spin and corruption where bending the law was justifiable in the hunt for the big selling story and bending the truth was the norm Against his better judgement Graham found his niche in this new world and what's more he found that he was good at it In his time at first the News of the

World then the Sunday Mirror he made a name for himself as a man who could deliver the story no matter what a kind of tabloid terrorist who rifled through celebrity's rubbish bins stalked out politicians' hotel rooms and paid up page three girls to seduce Premiership footballers all in the name of scoring a front page story Hack is a compelling and intoxicating story of one man's time in the tabloid jungle a world that in its heady mix of sex drugs and casual immorality is reminiscent of the City and how he ultimately saved himself TV Guide ,2006 *New York* ,1991
