explore whether how and in what ways religion church and theology can contribute constructively to the future of a global society In thirty one chapters researchers from around the world address the relation between religion and society

John of History, Baptist of Faith James F. McGrath, 2024-10-04 Studies of the historical Jesus typically reduce John the Baptist to a subordinate role in the story of Christian origins This meticulous historical study focuses on John himself revealing his extensive and enduring influence In the popular imagination John the Baptist plays the supporting role of Jesus's unkempt forerunner But meticulous historical study reveals his wide reaching and enduring influence on the history of religion The first study of its kind John of History Baptist of Faith sheds light on the historical John the Baptist and his world James F McGrath applies historical critical methodology not only to the New Testament but also to the Mandaean Book of John a holy text of the last extant gnostic sect McGrath uses the teachings of John's pupil Jesus as a window into his mentor's beliefs Along the way he brings new clarity to questions of contention among scholars such as John's use of immersion as a substitute for temple sacrifice Bold in its claims yet careful in its method John of History Baptist of Faith lends fresh insight into John Jesus and their world McGrath's pioneering monograph will challenge and intrigue students and scholars of the New Testament and Second Temple Judaism

The Destruction of Jerusalem, or Titus and Vespasian Kara L. McShane, Mark J. B. Wright, 2021-10-29 Within the English fall of Jerusalem tradition nearly all scholarly attention has gone to Siege of Jerusalem which has enjoyed critical and pedagogical attention of late Michael Livingston's 2004 edition with the Middle English Texts Series MIP drew attention to the text and Adrienne Williams Boyarin has recently published a new translation with Broadview Press that appears in the Broadview Anthology of British Literature's medieval volume and as a stand alone volume With this edition of the Destruction of Jerusalem we hope to bring the poem which is extant in more copies than Siege into the conversation METS MIP is precisely the right series and press to publish Destruction The work would complement METS volumes such as The King of Tars Richard Coeur de Lion and Crusades romances such as Three Middle English Charlemagne Romances Indeed given METS's broad offerings in Middle English romance the series is a

natural home for Destruction Destruction would be of tremendous value particularly in courses focused on Crusades traditions traditions of medieval anti Semitism vernacular theology or late medieval depictions of difference more broadly matters of considerable scholarly and pedagogical interest to medievalists of late *Palestine* Nur Masalha,2018-08-15 This rich and magisterial work traces Palestine s millennia old heritage uncovering cultures and societies of astounding depth and complexity that stretch back to the very beginnings of recorded history Starting with the earliest references in Egyptian and Assyrian texts Nur Masalha explores how Palestine and its Palestinian identity have evolved over thousands of years from the Bronze Age to the present day Drawing on a rich body of sources and the latest archaeological evidence Masalha shows how Palestine s multicultural past has been distorted and mythologised by Biblical lore and the Israel Palestinian conflict In the process Masalha reveals that the concept of Palestine contrary to accepted belief is not a modern invention or one constructed in opposition to Israel but rooted firmly in ancient past Palestine represents the authoritative account of the country s history *Syria's Monuments: their Survival and Destruction* Michael Greenhalgh,2016-11-01 Syria s Monuments their Survival and Destruction analyses travellers accounts of the Roman Christian and Islamic monuments of Syria including Lebanon Jordan Palestine Israel An epilogue assesses the impact of the recent civil war on the state of the monuments and their likely future **Rose Then and Now Bible Atlas** Dr Paul H. Wright,2013-03-25 In this integration of biography history and geography Paul Wright applies his considerable knowledge of the land to the life and times of people in both the Old and New Testaments In his capable hands readers will see the characters of the Bible come to life in the context of the very real world in which they lived Whether readers have been through the Bible fifty times or this is their first the pictures maps and extremely readable text will lead them to fresh insight into this greatest of stories *The Life and Witness of David* Larry R. Helyer,2020-12-09 The Life and Witness of David introduces the general reader to the remarkable career of David son of Jesse This man streaked across the skies like a meteor and could rightly be called a Hebrew superstar The stories about him are among the most beloved and captivating in Scripture The author distills this amazing story in thirteen chapters and adds a fourteenth to sum up David s legacy in history liturgy and worship David transformed the land of Israel from an insignificant federation of tribes into a Middle Eastern power an extraordinary feat unparalleled in Israel s history His importance however lies less in his military and political accomplishments than in his spiritual and theological contributions In his action packed life and in the book of Psalms David the man after God s own heart speaks through the Spirit of God to our hearts in all the vicissitudes of life At numerous points the author draws attention to moments in David s story that reecho in the pages of the NT David s story prefigures the story of David s greater son Jesus Son of God The typological links connecting David and Christ in redemptive history are a key emphasis in this book *“The Learning of the Jews”* Gary A.
