Daniel James Brown

The Indifferent Stars Above:

The Indifferent Stars Above LP Daniel James Brown, 2009-05-19 In April of 1846 Sarah Graves was twenty one and in love with a young man who played the violin But she was torn Her mother father and eight siblings were about to disappear over the western horizon forever bound for California Sarah could not bear to see them go out of her life and so days before the planned departure she married the young man with the violin and the two of them threw their lot in with the rest of Sarah s family On April 12 they rolled out of the yard of their homestead in three ox drawn wagons Seven months later after joining a party of emigrants led by George Donner Sarah and her family arrived at Truckee Lake in the Sierra Nevada Mountains just as the first heavy snows of the season closed the pass ahead of them After a series of desperate attempts to cross the mountains the party improvised cabins and slaughtered what remained of their emaciated livestock By early December they were beginning to starve Sarah s father a Vermonter was the only member of the party familiar with snowshoes Under his instruction fifteen sets of snowshoes were hastily constructed from oxbows and rawhide and on December 15 Sarah and fourteen other relatively young healthy people set out for California on foot hoping to get relief for the others Over the next thirty two days they endured almost unfathomable hardships and horrors In this gripping narrative Daniel James Brown takes the reader along on every painful footstep of Sarah s journey Along the way he weaves into the story revealing insights garnered from a variety of modern scientific perspectives psychology physiology forensics and archaeology producing a tale that is not only spell binding but richly informative

Summary of the Indifferent Stars Above Abookaday, 2016-09-28

Warning This is an independent addition to The Indifferent Stars Above meant to enhance your experience of the original book If you have not yet bought the original copy make sure to purchase it before buying this unofficial summary from aBookaDay This review of The Indifferent Stars Above The Harrowing Saga of the Donner Party by Daniel James Brown provides a chapter by chapter detailed summary followed by an analysis and critique of the strengths and weaknesses of the book The main theme explored in the book is how hope and the sheer will to survive are what drove the survivors of the Donner Party in 1847 to carry on In telling the unbelievable story of what happened to the Donner Party as they attempted to travel west and were trapped in the Wasatch Mountains the author narrows his focus by concentrating on the Graves family By retelling the true events through a focused narrative perspective the author is allowing the reader an inside look into what those people thought and felt and ultimately what drove them to make the hard choices to survive Using data gathered from source documents published histories journal entries and psychological research the author makes the case that the inevitable horrors that the Donner Party were forced to commit most notably the cannibalism of their fellow travelers were necessary In fact the author pushes this idea of survival to not only humanize and explain what they did but also encourage the reader to understand that their hope and will drove them to carry on In this way he sees the story of the Donners not just as a tragedy but also as a tale of hope The central thesis of the work is that the saga of the Donners is one of the extremes of

the American Dream These people sought better lives for themselves and their families and this is what drove them west As they faced incomprehensible odds and lost many of lives in the process the survivors did what they had to in order to carry forward towards their dream Despite what they endured many of them did reach their American Dream Daniel James Brown is largely a narrative nonfiction author He was born in Berkeley California and attended the University of California receiving a BA in English He earned his masters at the same university and taught writing at San Jose State University and Stanford for several years He has written three critically acclaimed nonfiction novels one of which The Boys in the Boat is set to be turned into a feature film Available on PC Mac iphone android tablet or Kindle device c 2016 All Rights Reserved

Poems W. B. Yeats, 2019-11-19 W B Yeats Poems is a masterful collection that showcases the evolution of his poetic voice reflecting the intricate interplay of personal and political themes With a distinctive use of symbolism and lyrical cadence Yeats navigates through the realms of love nature mysticism and Irish identity Spanning multiple decades these poems illustrate his growth from the romantic ideals of the Irish Literary Revival to the profound explorations of existentialism and spirituality ultimately revealing the tension between the temporal and the eternal Born in 1865 in Dublin William Butler Yeats was deeply influenced by the cultural and political upheavals of his time notably the fight for Irish independence His experiences with the occult and his passionate involvement in the Irish nationalist movement permeate his work intertwining personal longing with broader societal narratives Yeats' intimate understanding of folklore and his philosophical musings provide a rich context that informs his choice of themes and forms in this anthology Poems is a must read for anyone seeking a deeper appreciation of modern poetry and Irish literature Yeats' profound insights and evocative imagery make this collection a timeless reflection on the human experience Scholars students and poetry enthusiasts alike will find inspiration and depth within these pages inviting them to explore the complexities of art emotion and identity *Selected Poems And Four Plays* William Butler Yeats, 2011-11-08 Since its first appearance in 1962 M L Rosenthal's classic selection of Yeats's poems and plays has attracted hundreds of thousands of readers This newly revised edition includes 211 poems and 4 plays It adds *The Words Upon the Window Pane* one of Yeats's most startling dramatic works in its realistic use of a seance as the setting for an eerily powerful reenactment of Jonathan Swift's rigorous idealism baffling love relationships and tragic madness The collection profits from recent scholarship that has helped to establish Yeats's most reliable texts in the order set by the poet himself And his powerful lyrical sequences are amply represented culminating in the selection from *Last Poems* and *Two Plays* which reaches its climax in the brilliant poetic plays *The Death of Cuchulain* and *Purgatory* Scholars students and all who delight in Yeats's varied music and sheer quality will rejoice in this expanded edition As the introduction observes Early and late he has the simple indispensable gift of enchanting the ear He was also the poet who while very much of his own day in Ireland spoke best to the people of all countries And though he plunged deep into arcane studies his themes are most clearly the general ones of life and death love and hate man's condition and history's meanings He began as a sometimes effete post Romantic heir to the pre Raphaelites and then quite naturally became a leading British Symbolist but he grew at last into the boldest most vigorous voice of this century *Selected Poems and Four Plays* represents the essential achievement of the greatest twentieth century poet to write in English *Poetry* W. B. Yeats, 2024-08-29T19:22:49Z W B Yeats played many roles in Ireland at the turn of the twentieth century playwright essayist critic mystic theater manager revolutionary and politician But he was first and foremost a poet perhaps the most famous poet Ireland has yet produced This

collection contains Yeats verse from his first published poem Song of the Fairies which appeared in a Dublin literary magazine in 1885 through 1928 s The Tower In them the reader can trace the growth of the poet s voice and the influences on his writing from Irish nationalism to esoteric metaphysics Included are some of Yeats most enduringly popular works The Second Coming The Lake Isle of Innisfree and The Wild Swans at Coole This book is part of the Standard Ebooks project which produces free public domain ebooks The Gaelic Twilight and Poetics of W. B. Yeats Samiran Kumar

Paul,2020-12-10 This book explores the question of Yeats s identity as an important issue in the criticism of the Irish poet The identity of the poet with the advent of postcolonial theory into Irish studies in general and Yeats s studies in particular this controversial issue has gained new dimensions Whether Yeats was a revolutionary and anti colonial nationalist or a poet with unionist and colonialist inclinations has been the subject of much debate and less agreement One can justify any of these versions of Yeats by concentrating on some of his works and utterances and ignoring some others However this will result in an incomplete and partial picture of a complex multidimensional and ever changing poet such as Yeats It explores the different aspects of W B Yeats s poetic theory and political ideology It also studies Yeats s modernity and influences on his contemporaries as well as successors such as T S Eliot Ezra Pound and W B Aden Though three common themes in Yeats poetry are love Irish nationalism and mysticism modernism is the overriding theme in his writings Yeats started his long literary career as a romantic poet and gradually evolved into a modernist poet As a typical modern poet he regrets the post war modern world which is now in disorder and chaotic tuition and laments the past **The Poems** W.B. Yeats,1991-04-30

This new edition of The Collected Poems of W B Yeats includes all of the poems authorised for publication by Yeats in his lifetime From skilful retellings of ancient Irish myths and legends to passionate meditations on the demands and rewards of youth and old age these exquisite occasionally whimsical songs of love nature and art stand in dramatic contrast to the sombre and angry poems of life in a nation torn by war and uprising In the rich and recurrent imagery of the rose the gyre and the tower the reader can trace Yeats s quest to unite intellect and artistry in a single compelling vision Included in this edition are Yeats s notes complemented by explanatory notes from the esteemed Yeats scholar Richard J Finneran **The Collected Poems of W. B. Yeats** Richard J. Finneran,1991-04-30 This volume provides accurate texts of all the poems by Yeats published in his lifetime or scheduled for publication as of his death on January 28 1939 including those omitted from earlier collections
