TEKS 3rd Grade Math Test Prep for STAAR is an excellent resource to assess and manage student's understanding of concepts outlined in the State of Texas Assessments of Academic Readiness STAAR program. This resource is formatted into three sections: Diagnostic Practice and Assessment with multiple choice and open questions in each section. The material covered includes emphasis on Numerical Representations and Relationships problems to determine if student can demonstrate an understanding of how to represent and manipulate numbers and expressions. Additionally, emphasis is placed on Computations and Algebraic Relationships problems to determine student's ability to demonstrate an understanding of how to perform operations and represent algebraic relationships. Geometry and Measurement problems are also covered to ensure students understand how to represent and apply geometry and measurement concepts. Finally, Data Analysis problems are covered to demonstrate student's grasp of how to represent and analyze data. These standards are covered extensively by the practice problems. This book contains over 500 practice problems aligned to each TEKS Category. In addition, the book contains an answer key to practice problems. Paperback 298 double-sided pages. Publisher: Teachers Treasures Inc. Language: English.
