The Centers are designed to bring under control and to promote ready access to important segments of the literature *The State of College Access and Completion* Laura W. Perna, Anthony Jones, 2013-07-18 Despite decades of substantial investments by the federal government state governments colleges and universities and private foundations students from low income families as well as racial and ethnic minority groups continue to have substantially lower levels of postsecondary educational attainment than individuals from other groups The State of College Access and Completion draws together leading researchers nationwide to summarize the state of college access and success and to provide recommendations for how institutional leaders and policymakers can effectively improve the entire spectrum of college access and completion Springboarding from a seminar series organized by the Advisory Committee on Student Financial Assistance chapter authors explore what is known and not known from existing research about how to improve student success This much needed book calls explicit attention to the state of college access and success not only for traditional college age students but also for the substantial and growing number of nontraditional students Describing trends in various outcomes along the pathway from college access to completion this volume documents persisting gaps in outcomes based on students demographic characteristics and offers recommendations for strategies to raise student attainment Graduate students scholars and researchers in higher education will find The State of College Access and Completion to be an important and timely resource

Rigorous Reading, Texas Edition Douglas Fisher, Nancy Frey, 2018-02-09 Newly revised and updated throughout this new Texas Edition has been specially developed to align with the Texas Essential Knowledge and Skills standards What it really means to read closely What could Fern Arable Jay Gatsby and Winston Churchill possibly have in common They all need masterful teachers to help students revel in their complexity And Nancy Frey and Doug Fisher are just the two mentors to help you make that happen Call it close reading call it deep reading call it analytic reading call it what you like The point is it s a level of understanding that students of any age can achieve with the right kind of instruction In Rigorous Reading Nancy and Doug articulate an instructional plan so clearly and so squarely built on research that teachers schools and districts need look no further The 5 Access Points Toward Proficiency Purpose Modeling Teachers think aloud to demonstrate critical thinking and how good readers always know why they are reading Close Scaffolded Reading Instruction Teachers engage students in repeated readings and discussions with text dependent questions prompts and cues to help students delve into an author s ideas Collaborative Conversations Teachers orchestrate collaborative learning to get students in the habit of exercising their analytical thinking in the presence of their peers An Independent Reading Staircase Teachers artfully steer students to more challenging books with strategic bursts of instruction and peer conferences to foster metacognitive awareness Performance Teachers offer feedback and assessments that help students demonstrate understanding of text in authentic ways and plan instruction based on student understanding There s more Also included are illustrative classroom video clips available via QR codes along with an online Facilitator s Guide with PowerPoints making Rigorous Reading the

only resource a teacher school or district needs to seriously stretch students capacity to read and comprehend text *The Politics of African-American Education* Kenneth J. Meier, Amanda Rutherford, 2016-08-24 The book provides a comprehensive assessment of current African American education policy and its politics
