Editing Jacqueline Shuler Sitkewich,1971 "Is it Done Yet?" Barry Gilmore,2007 Beyond all the wise and practical advice Gilmore offers there is another reason why I love this book it s funny and fun to read Though the author writes with great authority he never places himself above the reader Indeed he uses humorous anecdotes from his personal life and classroom to humble himself and create a sense of joy even as he tackles a subject of dread for most English teachers Barry Lane Author of *After the End* Why do so many students resist revision Maybe because it feels to them like starting over like an indictment of their first draft or a rejection of their ideas Encouraging teens to see revision as process rather than criticism as the bridge between generating ideas and finalizing their work for publication is crucial to their growth and success as thoughtful adult writers With *Is It Done Yet* Barry Gilmore helps you push your writers toward a new realistic understanding of revision while offering proven ways to overcome student resistance *Is It Done Yet* takes a new refreshing look at revision It acknowledges that while writing manuals often suggest general guidelines for writing few target the specific and recurring issues of style and argumentation that students typically encounter in their assignments Gilmore offers a variety of practical strategies for incorporating revision at all stages of the writing process especially in content and style as well as in numerous genres including literary analysis on demand writing and the college entrance essay He goes beyond marking up grammar and spelling differentiates editing from revising and

presents a multifaceted approach that moves students toward an understanding of revision as a process that helps them write fluently and communicate more effectively All the while Gilmore will help you change your own sense of revision so that you can use it to match up student needs with specific instructional focuses Humorous practical and accessible Is It Done Yet includes classroom samples of student writing and revision a thorough description of Gilmore s step by step process for incorporating powerful revision lessons and ready to use activities that engage students and support your teaching In addition with chapters on peer and class revision revision in creative writing and using technology during revision he gives you everything you need to get kids revising and develop their maturity as writers to help them complete papers with pride confidence and craft

Revision Strategies for Adolescent Writers Jolene Borgese,Dick Heyler,Stephanie Romano,2011-11-08 Enlarge your repertoire of revision strategies For many secondary students writing effectively is the most elusive of the critical literacy skills needed for college and career readiness And for many teachers revision is the most difficult part of the writing process to tackle How can adolescent writers be guided to revisit their work to identify the weaknesses in their writing drafts and revise making their pieces stronger and more effective The Common Core State Standards advocate strengthening students writing through revision a skill different from either drafting or editing and using technology for creating and collaborating with others This instructional guide with its more than 30 flexible classroom tested strategies demonstrates these practices and more Frontloading planning rehearsing and conversing before writing Peer conferencing as part of a writers workshop Using technology to write collaborate and revise in and out of the classroom Modeling effective revision techniques as writers and teachers of writing Teachers will turn again and again to this easy to use resource with its clear explanations of strategies correlated to the 6 Traits of Effective Writing examples of before and after student work and thoughtful quotes from published writers about their own writing and revision processes These authors and experienced teachers of writing have provided a handbook that can be used immediately to scaffold students revision and help them become more fluent confident and independent writers

Proofreading, Revising & Editing Skills Success in 20 Minutes a Day Brady Smith,2017 In this eBook you ll learn the principles of grammar and how to manipulate your words until they re just right Strengthen your revising and editing skills and become a clear and consistent writer

Intuitive Editing Tiffany Yates Martin,2021-03-05 Editing your own writing can feel like doing your own brain surgery After you ve completed your manuscript and you re standing at the foot of Revision Mountain climbing to the summit can feel impossible It s hard to look at your own writing with the objective eye needed to shape it into a tight polished publishable story but just like writing self editing is a skill you can learn Developmental editor Tiffany Yates Martin has spent her career in the publishing industry honing practical actionable techniques to help authors evaluate how well their story is working where it might not be and how to fix it With a clear accessible user friendly approach she leads writers through every step of deepening and elevating their own work as well as how to approach the edit and develop their editor brain and

how to solicit and process feedback Intuitive Editing doesn't offer one size fits all advice or rigid writing rules instead it helps authors discover what works for their story and their style to find the best version of their vision Whether you're writing fiction narrative nonfiction or memoir whether this your first story or your fiftieth Intuitive Editing will give you the tools you need to edit and revise your own writing with inspiration motivation and confidence Tiffany Yates Martin has spent nearly thirty years as an editor in the publishing industry working with major publishers and bestselling authors as well as newer writers She's led workshops and seminars for conferences and writers groups across the country and is a frequent contributor to writers sites and publications Visit her at www.foxprinteditorial.com **Flip-to-learn Revising and Editing Guide**, 2007 *Revising and Editing One, Grades 9-10* Patrick Sebranek, Christian R.
