Staffing Organizations Seventh Edition:

Staffing Organizations Herbert Gerhard Heneman, Tim Judge, 2003 Heneman and Judge's book is based on a comprehensive staffing model. The model has been revised somewhat in this edition to reflect the growing importance of staffing strategy and to incorporate retention management into the staffing domain. Components of the model include staffing models and strategy, staffing support systems, legal compliance, planning, job analysis, core staffing systems, recruitment, selection, employment, and staffing system and retention management. Up to date research and business practices are the trademarks of this market leading text. In depth applications, cases and exercises at the end of chapters provide students with skill building and practice in key staffing activities and decision making. **The Law of Healthcare Administration, Seventh Edition**

Stuart Showalter, 2014-05-22 The Law of Healthcare Administration Seventh Edition examines healthcare law from the management perspective. The book offers a thorough treatment of healthcare law in the United States written in plain language for ease of use. The author addresses the significant changes the Affordable Care Act (ACA) makes to the healthcare industry including provisions relating to taxation and compliance, the development of accountable care organizations and new privacy rules under HIPAA. This updated edition includes the following new material: An extensive discussion of the major changes occasioned by the ACA. The antitrust decision *Federal Trade Commission v. Phoebe Putney Health System*. Quality issues related to accountable care organizations and The Joint Commission's accreditation standards. The ACA's Shared Savings Program and its effect on further hospital/physician alignment and physician employment. The Foreign Corrupt Practices Act. Important points are highlighted in each chapter through objectives, summaries, discussion questions and case excerpts. Definitions of key terms in each chapter's margins complement a full glossary at the end of the book. Staffing Organizations Herbert Heneman III, 2011 Heneman and Judge's *Staffing Organizations* 7^e is based on a comprehensive staffing model. Components of the model include staffing models and strategy, staffing support systems, legal compliance, planning, job analysis and rewards, core staffing systems, recruitment, selection, employment, and staffing system and retention management. Up to date research and business practices are the hallmarks of this market leading text. In depth applications, cases and exercises at the end of chapters provide students with skill building and practice in key staffing activities and decision making. A c

The Fire Chief's Handbook, 7th Edition Richard A. Marinucci, 2015-04-17 The Fire Chief's Handbook 7th Edition continues Fire Engineering's 82 year tradition of publishing the definitive resource for advanced fire service training. The text has been completely updated to meet the changing environment and added responsibilities of the fire service.
