Romaniuk, Animesh Roul, Pamela Fabe, János Besenyő, 2024-10-24 [Handbook of Terrorist and Insurgent Groups](#) A Global Survey of Threats Tactics and Characteristics examines the most current and significant terrorist and insurgent groups around the world The purpose is to create a descriptive mosaic of what is a pointedly global security challenge The volume brings together conceptual approaches to terrorism insurgency and cyberterrorism with substantive and empirical analyses of individual groups organisations and networks By doing so not only does the coverage highlight the past present and future orientations of the most prominent groups but it also examines and illustrates their key characteristics and how they operate including key leaders and

ideologues Highlighting specific individual groups the chapters collectively present a robust and comprehensive outlook on the current geography of terrorism and insurgency groups operating in the world today This comprehensive volume brings the collective expertise and knowledge of more than 50 academics intelligence and security officials and professionals together all of whom are considered subject experts in their respective areas of research and practice The volume is based on both desk based and fieldwork conducted by experts in these areas incorporating analyses of secondary literature but also the use of primary data including first hand interviews on the various groups regions of operation their tactics and how their ideologies motivate their actions

War and the Body Kevin McSorley,2013 This book places the body at the centre of critical thinking about war giving embodiment and bodily issues an analytic recognition they have often been denied in the annals and ontology of conventional war scholarship Page 1

Nazi Secret Warfare in Occupied Persia (Iran) Adrian O'Sullivan,2014-08-05 This is the first full length work to be published about the spectacular failure of the German intelligence services in Persia Iran during WWII Based on archival research it analyzes a compelling history of Nazi planning operations personalities and intrigues and follows the protagonists from Hitler s rise to power into the postwar era

Who Killed These Girls? Beverly Lowry,2016-10-11 A true crime page turner Lowry exhausts every possible scenario behind the shocking unsolved quadruple murder and offers a theory on what really happened New York Post Gripping moving and as good as any depiction of a murder case since In Cold Blood Brilliant Ann Patchett award winning bestselling author The facts are brutally straightforward On December 6 1991 the naked bound and gagged burned bodies of four girls each one shot in the head were found in a frozen yogurt shop in Austin Texas Grief shock and horror overtook the city But after eight years of misdirected investigations only two suspects teenagers at the time of the crime were tried their convictions were later overturned and detectives are still working on what is now a very cold case The story has grown to include DNA technology coerced false confessions and other developments in crime and punishment But this story belongs to the scores of people involved and from them Beverly Lowry has fashioned a riveting saga that reads like a novel heart stopping and thoroughly engrossing
