Soul Sister Sereena Nightshade,2014-04-22 *Soul Sister* is a softer version of *The Killing Fields* created by popular fan base demand *Soul Sister* thus contains many of the poems from *The Killing Fields* as well as some additional never before shared poetry from the time frame of the years this writer was mercilessly stalked and an objectified being caught within the tug of war between the predator *The One from Afar* the primary adult human co victim the local police force in their ineffectiveness made shockingly worse once a callous clueless seemingly chauvinistic spiteful and sometimes emotionally irrational detective was placed on the case and the many helpless oftentimes caged tame animal victims the predator went after in endless compulsive repetitions through the years spanning from October 1999 to the summer of 2004 This was the world of this writers nightmarish drafted status losing the right to be a mere human with human feelings wants and needs It was also the backdrop for the Black Market style beauty contest and dating winner gets the fantastical prize game put forth by *The One From Afar* in the middle of *The Killing Fields* of the stalkers design from 1999 to mid 2003 In mid 2003 *The One From Afar* married his true deceiver and vanished from the picture blatantly leaving Sereena Nightshade to die That final phase in the full range tug of war indicated clearly that Nightshade was left to whatever fate may occur including one of being further hunted stalked kidnapped and at some point tortured repeatedly raped and murdered since she held no value to the only person who seemed fictitiously to care about her at the time This was the reality of *The Killing Fields* One stalker terrorizing running endless surveillance tampering with torturing murdering animals when he didnt mess up likely on purpose leaving them to suffer until his primary human victim had to clean up after his mistakes One fool allegedly looking for love or reportedly in love with Nightshade One primary adult human co victim who was hapless and hopeless One police detective who didnt give a darn And all of the many innocent defenseless victims caught in the middle of this whirl in the stalkers predatory realm This scenario or many components of it are not entirely rare for stalking victims as the presence of a stalker isolates the victim and narrows her world until there is almost nothing left no contacts no friends no support system while she must become a soldier despite the inhumane senseless of it all it so continues
