Healthcare, the Culture War,
and the Future of Freedom

Our world has changed. Even now, an unseen force
grinds away, reshaping the nation we know and love.

The Misdirection of Education Policy Nancy DaFoe, 2016-06-20 The Misdirection of Education Policy Raising Questions about School Reform proposes critically important questions about the wisdom of

American public education policy and reform initiatives Laying out the particulars of three policy strands creation of STEM curricula schools expansion of charter schools privatizing and teacher accountability testing tied to job security The Misdirection of Education Policy exposes complications contradictions and deliberate deceptions in these supposed solutions to very real issues in education Dafoe theorizes that obstacles facing American education are far more complicated than policy makers suggest or consider The Misdirection of Education Policy poses the question of whether it is practical to offer an education that is not merely practical in its ends opening doors far beyond career readiness and filling employers job slots The approach suggested here is designed to offer an arterial that allows students and teachers to do more than simply prepare for STEM careers it advocates for an education that helps people navigate life by becoming explorers who remain curious and analytical about their world

California's Recall Election of Gavin Newsom Larry N. Gerston, Mary Currin-Percival, Garrick L. Percival, 2022-08-02 California went through a political earthquake of sorts when the state recalled Governor Gray Davis in 2003 In 2021 the state faced another political turning point with the threatened recall of Governor Gavin Newsom Less than two years after Newsom's overwhelming election victory more than two million Californians signed on to the recall effort hoping to expel him from office in a special election How could such a monumental turnabout be possible Normally the political headwinds would be much too strong for a movement to oust a governor who had decisively vanquished his opponent But with the COVID 19 pandemic dominating every aspect of society including politics these weren't normal times Organizing a recall election is a demanding enterprise it takes abundant political energy tremendous amounts of anger with the status quo and mounds of money Yet for the second time in less than two decades such wheels were set in motion What is it that makes California so dynamic yet so fragile This book explains that paradox and in the process enlightens readers about the recall process the challenges of federalism and the pitfalls of direct democracy It examines the underlying conditions that expose a state with poorly linked institutions a bitterly divided society and a governor who had to act under nearly impossible conditions demonstrating his strengths and vulnerabilities along the way It's a story that could happen only in California a state with a history of only stories Designed to be useful in a variety of college courses this book is the first to unveil the Newsom backstory and will appeal to pundits and politicians as well as interested general readers

8 Reasons Why I am No Longer A Democrat! Dr. Glenn Pinckney Sr, 2016-11-21 This book is written in this manner size and style to easily show the biblical relevance of our civic actions as well as improving our daily relationship with our Lord My utmost desire is that Born Again Believers embrace the truth of Christ like living not religiously but in reality A reality that transcends tradition customs and we've always done it this way kind of thinking I grew up in the South where traditions and customs run deep However God's Word inspired me to think about many of these customs For example many Southern Black people regardless of academic achievements pronounce the word ask as axe without thinking about why Also many vote for Democrats their entire lives without any regard to the Democratic Party's Platform the Candidate's stand on abortion homosexuality lesbianism or any other social issues Yet on Sundays they will worship and praise God Then

on Tuesdays they will vote in direct contradiction to the very God they worshipped and praised just a few days before We simply vote as Democrats as if it s in our DNA not giving thought to how our vote will enable the enemy of our soul to move against our beliefs our church even our Salvation Is that biblically correct Well as Believers in Jesus the Redeemer of mankind our DNA has been transformed Shouldn t we reflect that change in our daily lives as well as in our civic responses to social issues in our community and our country It is my prayer that the reader will get answers to these and other questions that confront a child of God traveling through this journey of life with the Savior
