The Golden Cat:

The Golden Cat Gabriel King, 2017-08-15 Absolutely magical Always intriguing Richard Adams author of Watership Down Behind the realm of man lie the wild roads Weaving through time and space these hidden pathways carry the natural energies the spirits the dreams of the world No creature can slip into the shadows and travel the wild roads better than the cat For millennia cats have patrolled the tangled paths maintaining balance and order guarding against corruption and chaos It is dangerous territory for those who control the wild roads hold the key to the world Amid the struggle between the purest good and the darkest evil here are tales of duty and destiny of courage and comradeship among the extraordinary creatures who brave the wild roads An ancient legend speaks of a golden cat whose coming will heal the troubled world But the Queen of Cats has three golden kittens and when two are stolen away the distraught parents turn to Tag the new guardian of magical wild roads for help As Tag and his friends embark on their search they encounter a terrifying unearthly force a preternatural vortex threatening the wild roads tearing at the very fabric of existence Tag is disastrously unprepared for the powerful darkness that threatens to consume everything in its wake Mystery of the Golden Cat Eleanor Beatrice Coerr, 1995-03-02 One day a beautiful cat with soft golden fur came to visit Dang and his sister Malee who lived in Bangkok the capital city of Thailand It happened to be on Children's Day a holiday that is celebrated with free rides and free things to eat for all the children of the city So the children decided to take Golden Cat with them when they went to the amusement park to bring them good luck until its owner was found After a few free rides they had free ice cream and then went to visit a temple In Thailand when you visit a temple it is proper to take your shoes off before entering the sacred place of worship When the two children came out of the temple however they discovered that their shoes were gone Thus began the search for their shoes which were brand new How the shoes were found and what happened to Golden Cat who appeared to Dang and Malee out of nowhere is explained in the exciting final chapter of this book Within its pages you will discover how the people of Thailand live and how the children play And from the vivid illustrations you will get a glimpse of Dang and Malee as they wander through the exciting city of Bangkok *The Golden Cat* Harman Long, 192? **The Golden Cat** Awil Hashi, 2008-04-01 **The Golden Cat** Wilfrid Douglas Newton, 1930 **The Golden Cat** Max Brand, 2004 When John Jones and Dennis Rourke are hired to escort the Palliser party to a sequestered hacienda hidden away in the Sierra Negra it becomes evident that everyone in the party is openly hostile to Ned Palliser a rich former sea captain Wild Cats of the World Mel Sunquist, Fiona Sunquist, 2017-05-15 Did you know that European royalty once used cheetahs to hunt deer or that caracals can capture birds by leaping six and a half feet straight up into the air from a standing start Have you ever wondered whether domestic cats really do land on their feet when they fall or how Canada lynx can stalk their prey in the winter without falling through the deep snow Wild Cats of the World is a treasure trove of answers to questions like these and many others for anyone who's interested in learning more about the world's felids including the ones with whom we
