A Compendium of Evangelical Theology Given in the Words of Holy Scripture. By W. Passmore, 1873 A Theology of Paul the Apostle, Part One G. Roger Greene, 2023-07-21 The legacy of Paul looms large in all Christian theology While the study of Paul is not a simple task proper interpretation should be sustainable on the basis of a thorough examination of Paul's letters within their historical matrix The work Theology of Paul the Apostle is presented in two parts Part One Paul's Eschatological Gospel addresses matters relevant for Paul's appreciation of the gospel of God in the establishment of the eschatological community in Christ Paul's Judaism informs his apocalyptic description as he expresses his thought with consistent convictions within the varied contingent contexts of his communities within a Greco Roman world Part Two Cross and Atonement examines a perennial storm center within Paul's theology from both an exegetical and developmentally historical perspective Paul was embraced by the gospel of God in Christ the resurrection being the turning point of the ages While Paul's theology and the understandings of Paul must be established point by point Paul's theology has continuing relevance within the very different matrix of a postmodern world *Paul's Letter to the Romans* Colin G. Kruse, 2012-06-14 In this Romans commentary Colin Kruse shows how Paul expounds the gospel against the background of God's sovereign action as creator judge and redeemer of the world from publisher description The Gospel of Peace, 1992-01-01 Peace constitutes the very heart of Christian existence It does so because God is our peace so that not only our relationship is with one another but also our relations to God's creation as well as to God are reconstituted peaceably through the life death and resurrection of Jesus Christ Stanley Hauerwas Duke University **Paul the Ancient Letter Writer** Jeffrey A. D. Weima, 2016-11-15 This clear and user friendly introduction to the interpretive method called epistolary analysis shows how focusing on the form and function of Paul's letters yields valuable insights into the apostle's purpose and meaning The author helps readers interpret Paul's letters properly by paying close attention to the apostle's use of ancient letter writing conventions Paul is an extremely skilled letter writer who deliberately adapts or expands traditional

epistolary forms so that his persuasive purposes are enhanced This is an ideal supplemental textbook for courses on Paul or the New Testament It contains numerous analyses of key Pauline texts including a final chapter analyzing the apostle's Letter to Philemon as a test case to demonstrate the benefits of this interpretive approach **Drawing Near John**

introduction to the Apostle Paul and his gospel written especially for lay readers for beginning students and for those unsure about what to make of Paul Michael J Gorman takes the apostle seriously as someone who speaks for God and to us After an overview not only of Paul's radical transformation from persecutor to proclaimer but also of his letter writing in the context of Paul's new mission **Reading Paul** explores the central themes of the apostle's gospel Gorman places special emphasis on the theopolitical character of Paul's gospel and on the themes of cross and resurrection multiculturalism in the church and peacemaking and nonviolence as the way of Christ according to Paul Gorman also offers a distinctive interpretation of justification by faith as participation in Christ an interpretation that challenges standard approaches to these Pauline themes **Reading Paul** demonstrates that the apostle of faith hope and love speaks not only to our deepest spiritual needs but also to the challenging times in which we live **Philippians, God's Love Letter** Lester Hutson, 2011-09-19 This Philippians Bible

study is ideally suited for personal study and enrichment This love letter from God will bless you personally and prove to be a valuable resource and guide for teaching or preaching through Philippians The great themes of Philippians are many and sublime commitment evangelism the magnificence of Christ the salvation by Grace alone sanctification service the second coming unity and many more Dr Hutson systemically moves through Philippians with clear exegesis and explanations He shows how the church in Philippi is a model church Unlike other Pauline epistles which are characteristically stern Philippians is extremely tender He speaks affectionately to the church but also exposes the subtle danger that always threatens every good church This commentary and sermon series provides insight to life in the young church at Philippi and
