The Great Man:

The Great Man Kate Christensen, 2007 Following the death of New York City painter Oscar Feldman an artist known for his paintings of the female nude two rival biographers set out to tell his life story with the help of his wife Abigail sister Maxine and Teddy his longtime mistress The Great Man's Answer to Are These Things So? in a Dialogue Between His Honour and the Englishman in His Grotto James Miller, 1740 *Historical Agency and the 'Great Man' in Classical Greece* Sarah Brown Ferrario, 2014-10-02 The great man of later Greek historical thought is the long product of traceable changes in ancient ideas about the meaning and impact of an individual life At least as early as the birth of the Athenian democracy questions about the ownership of the motion of history were being publicly posed and publicly challenged The responses to these questions however gradually shifted over time in reaction to historical and political developments during the fifth and fourth centuries BC These ideological changes are illuminated by portrayals of the roles played by individuals and groups in significant historical events as depicted in historiography funerary monuments and inscriptions The emergence in these media of the individual as an indispensable agent of history provides an additional explanation for the reception of Alexander the Great the Greek world had long since been prepared to understand him as it did A Great Man's Friendship The Duke of Wellington, 2016-11-11 Originally published in 1927 and edited by Lady Winifred Anne Henrietta Christiana Herbert Burghclere this book is a collection of the Duke of Wellington's letters to one of his regular correspondents and friend Mary Catherine Gascoyne Cecil Marchioness of Salisbury The letters in this volume cover the years 1850 1852 the last two years of the Duke of Wellington's life It ends with the Duke's final note dated September 13 1852 the eve of his death The Duke's actions were sometimes mistaken his judgments sometimes faulty but the advocatus diaboli can find nothing to challenge in the limpid sincerity of his selfless motives In these letters too the man's kindness the good nature he proclaimed as so important an ingredient even in public affairs is markedly apparent It is also an illustration of the force of willpower to see an octogenarian able to put through the business which every day brought him He might grumble that every animal but the Duke of Wellington is allowed a rest but the myriad tasks the countless courtesies and kindnesses were achieved largely by his lifelong system to do the business of the day in the day It is therefore to be hoped that the perusal of these letters will give their readers a more intimate acquaintance with one whose whole career and character must be a source of pride to those of his own race Illustrated with Portraits Beside Every Great Man-- is a Great Woman Kitty Pope, 2005 With brief biographies and intense commentary this collection explores the lives of courageous women behind the men who changed the way America relates to African Americans Includes profiles on Coretta Scott King Lonnie Ali Serita Jakes and others *The Greatest Works of French Literature (English Edition)* Charles Baudelaire, George Sand, Anatole France, Molière, Voltaire, Stendhal, Émile Zola, Alexandre Dumas, Alexandre Dumas fils, Jules Verne, Victor Hugo, Marcel Proust, Guy de Maupassant, Jean-Jacques Rousseau, Jean Racine, François Rabelais, Gustave Flaubert, Gaston Leroux, Pierre

Juliet Nicolson, 2010-06-01 This account of British life in the wake of World War I is social history at its very best insightful and utterly absorbing Minneapolis Star Tribune As the euphoria of Armistice Day in 1918 quickly subsided there was no denying the carnage that the Great War had left in its wake Grief and shock overwhelmed the psyche of the British people but from their despair new life would slowly emerge For veterans with faces demolished in the trenches surgeon Harold Gillies brings hope with his miraculous skin grafting procedure Women win the vote skirt hems leap and Brits forget their troubles at packed dance halls And two years later the remains of a nameless combatant would be laid to rest in the Tomb of the Unknown Soldier at Westminster Abbey as The Great Silence observed in memory of the countless dead halted citizens in silent reverence This history of two transformative years in the life of a nation features countless characters from an aging butler to a pair of newlyweds from the Prince of Wales to T E Lawrence the real life Lawrence of Arabia The Great Silence depicts a nation fighting the forces that threaten to tear it apart and discovering the common bonds that hold it together A pearl of anecdotal history The Great Silence is a satisfying companion to major studies of World War I and its aftermath as Nicolson proceeds through the familiar stages of grief denial anger and acceptance she gives you a deeper understanding of not only this brief period but also how war's sacrifices don't end after the fighting stops The Seattle Times It may make you cry The Boston Globe **Delphi Collected Works of Confucius - Four Books and Five Classics of Confucianism (Illustrated)**
