Oldfield,2023-11-24 Once upon a time the almighty Dhia walked the realm of Earth setting themselves up as gods over the humble mortals Centuries have passed since their banishment and the Dhia have fallen out of human memory The only connection between the Otherworld and Earth that remains is the crossing to Annwn where the souls of the dead go to rest Odd then that Arawn King of Annwn and High Lord of the Dead has a mortal wife and stepson The Dhia have turned a blind eye to this oddity for now but Motoki is nearing the age of adulthood and his very presence in Annwn is dangerous It would be wise for the Dhia to remember that High Lord Arawn is not to be underestimated when it comes to protecting his own Across the narrow divide on Earth the spirits of the dead are growing restless Spirit Seeker Louisa is growing concerned but none of the witches in her life seem to be too bothered by it Louisa's suspicions turn into alarm when she runs into a young man from another world who needs her help to return to the Otherworld But nothing is as it seems and hidden family secrets could at best get them killed and at worst could spark a war Witches of the Dead Kingdom is the first book of an exciting new Contemporary Adult Fantasy series by Australian author Ash Oldfield that blends Welsh mythology with modern day magic
