Collector's Guide to the American Musical Theatre David Hummel, 1984 **Roman Catholic Ideas in the Religious Lyric of the Elizabethan Age** Geneva Katharine Davis, 1920 *Music Is My Mistress* Duke Ellington, 1976-02-21 Not a chronological autobiography but an organized set of eight acts each of which is driven by entertaining anecdotes about the many people who colored the life of this jazz great Lists more than 1 500 of Ellington's compositions **Jump for Joy** Gena Caponi-Tabery, 2008 If the 1930s was the Swing Era then the years from 1937 on might well be called the Jump Era That summer Count Basie recorded Jumping at the Woodside and suddenly jump tunes seemed to be everywhere Along with the bouncy beat came a new dance step the high flying aeralis of the jitterbuggers and the basketball games that took place in the dance halls of African America became faster higher and flashier Duke Ellington and a cast of hundreds put the buoyant spirit of the era on stage with their 1941 musical revue Jump for Joy a title that captured the momentum and direction of the new culture of exuberance Several high profile public victories accompanied this increasing optimism the spectacular successes of African American athletes at the 1936 Olympics the 1937 union victory of the Brotherhood of Sleeping Car Porters and Joe Louis's 1937 and 1938 heavyweight championship fights For the first time in history black Americans emerged as cultural heroes and ambassadors and many felt a new pride in citizenship In this book

Gena Caponi Tabery chronicles these triumphs and shows how they shaped American music sports and dance of the 1930s and beyond But she also shows how they emboldened ordinary African Americans to push for greater recognition and civil liberties how cultural change preceded and catalyzed political action Tracing the path of one symbolic gesture the jump across cultural and disciplinary boundaries Caponi Tabery provides a unique political intellectual and artistic analysis of the years immediately preceding World War II **Euripides** ,19?? **The Guide to Catholic Literature** Walter Romig,1940

Whitney Sanford,2009-01-01 Singing Krishna introduces Param nand one of north India s greatest medieval poet saints whose poetry has been sung from the sixteenth century to the present in ritual service to the Hindu deity Krishna A Whitney Sanford examines how hearing Param nand s poetry in ritual context serves as a threshold for devotees between this world and Krishna s divine world To see Krishna is a primary goal of the devotee and Param nand deftly constructs a vision through words Sanford employs the dual strategies of interpreting Param nand s poems which sing the cycles of Krishna s activities and illustrating the importance of their ritual contexts This approach

offers insight into the nature of the devotional experience that is not accessible by simply studying the poetry or rituals in isolation Sanford shows that the significance of Param nand s poetry lies not only in its beauty and historical importance but finally in its capacity to permit the devotee to see through the ephemeral world into Krishna s world
