Media,2022-08-22T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I grew up in a church where the intercessors were always sad looking people and I did not see them as happy I did not know that it was possible for intercessors to be happy 2 I spent so much time carrying so many feelings inside of me and internalizing them as if they were my own that I became depressed I took those words as truth and became a quiet one who was afraid of people 3 I had a difficult time dealing with my emotions as I grew up I would pray about them but I did not understand my gifting and how to pray I was not releasing to God all of the things that I was feeling and picking up around me 4 I did not have a deep relationship with the Holy Spirit until I was confronted with a crisis in my life Looking back I can see that there was a pull to go deeper with God but I did not know how to get there **Happy Intercessor (Indonesian)** Beni Johnson,2011-10
