essay provides insight into God's perspective on these later years reminding readers that it's possible to serve the kingdom of God and His people even better with a little extra life experience to guide you *The Wonder Years* is an inspiring and unforgettable guide to making these years the most fruitful and abundant of your life Trust Me Scott

Nadelson, 2024-09-03 *Trust Me* tells the story of a turbulent year in the life of Lewis Nelson and his daughter Skye who spend their time together at the edge of a fragile wilderness in Western Oregon. As a last ditch effort to save his marriage, Lewis, an East Coast suburban Jew who has run from his roots, buys a cabin on a wild and scenic river in the Cascade foothills. After the marriage falls apart, he moves to the woods and makes the long commute every morning to Salem, the state capital, where he works a tedious government job. Skye stays with him on weekends, leaving behind her middle school friends, her cellular service, her cat, and her mom in exchange for ancient trees and clear water and moss-covered rocks. In fifty-two vignettes, one for each week of the year, that alternate between Lewis's perspective and Skye's, the novel traces their days foraging for mushrooms and searching for newts, arguing over jigsaw puzzles and confronting menacing neighbors, hosting skeptical visitors and taking city jaunts, finding pleasure in small moments of wonder and coping with devastating loss. By turns comic and heartbreaking, *Trust Me* is a study of the uneasy bond between a hapless father and his precocious daughter, of their love for a complex and changing landscape, of the necessity and precariousness of the relationships and places we cherish most.

The Slow Release Ethan Laughman, 2019-03 Death, that ending of all endings, is the shared concern of these stories, which have been chosen from among the hundreds that have appeared in the prestigious Flannery O'Connor Award for Short Fiction series. More than seventy volumes, which include approximately eight hundred stories, have won the Flannery O'Connor Award. This stunning trove of always engaging, often groundbreaking short fiction is the common source for this anthology on death and for planned anthologies on such topics as work, family, animals, children, and more. Most of the expected ways by which we take our leave are covered here: accident, murder, suicide, illness, old age. Perhaps less expected is how, in these stories, a matter we'd rather not think about becomes the stuff of fiction, so compelling that we can't stop thinking about it. How can something so final and certain spread so much ambiguity in its wake? What did we think of the departed, and what did they think of us? How long will they be around in our hearts and heads, even after they're gone? How will we forgive those who may have caused the death of a loved one? These fifteen stories give us many new ways of looking not only at death but at the lives that must go on in its aftermath. **A Radiant Birth** Leslie Leyland Fields, Paul J.

Willis, 2023-09-05 In this volume, Christian literary writers of the Chrysostom Society reflect on Advent and Christmastide as a bright and meaningful season of anticipation and glory. Through forty-two readings from the first Sunday of Advent through Epiphany, contributors prepare us in watchful waiting for the coming of Jesus. *A Day's Pay* Ethan Laughman, 2020-09-15 Work and the coffee-fueled day-to-day grind is the shared concern of these stories, which have been chosen from among the hundreds that have appeared in the prestigious Flannery O'Connor Award for Short Fiction series. More than seventy

volumes which include approximately eight hundred stories have won the Flannery O'Connor Award. This stunning trove of always engaging, often groundbreaking short fiction is the common source for this anthology on work and for planned anthologies on such topics as family, gender, and sexuality, animals, and more. Sometimes work is rewarding and sometimes it is just demanding. From the cubicle to the courtroom, from the stage to the station, these fifteen stories reflect upon the time we dedicate to the jobs we do, from the moment we begin our commute to the second we return home, and every hardworking hour in between.
