The Inner Circle By Brad Meltzer:

The Inner Circle Brad Meltzer, 2013-03-12 There are stories no one knows Hidden stories I love those stories And since I work in the National Archives I find those stories for a living Beecher White a young archivist spends his days working with the most important documents of the U S government He has always been the keeper of other people s stories never a part of the story himself Until now When Clementine Kaye Beecher s first childhood crush shows up at the National Archives asking for his help tracking down her long lost father Beecher tries to impress her by showing her the secret vault where the President of the United States privately reviews classified documents After they accidentally happen upon a priceless artifact a 200 hundred year old dictionary that once belonged to George Washington hidden underneath a desk chair Beecher and Clementine find themselves suddenly entangled in a web of deception conspiracy and murder Soon a man is dead and Beecher is on the run as he races to learn the truth behind this mysterious national treasure His search will lead him to discover a coded and ingenious puzzle that conceals a disturbing secret from the founding of our nation It is a secret Beecher soon discovers that some believe is worth killing for Gripping fast paced and filled with the fascinating historical detail for which he is famous *The Inner Circle* is a thrilling novel that once again proves Brad Meltzer as a brilliant author writing at the height of his craft

The Fifth Assassin Brad Meltzer, 2013-01-15 From John Wilkes Booth to Lee Harvey Oswald there have been more than two dozen assassination attempts on the President of the United States Four have been successful But now Beecher White the hero of the 1 New York Times bestseller *The Inner Circle* discovers a killer in Washington D C who s meticulously re creating the crimes of these four men Historians have branded them as four lone wolves But what if they were wrong Beecher is about to discover the truth that during the course of a hundred years all four assassins were secretly working together What was their purpose For whom do they really work And why are they planning to kill the current President Beecher s about to find out And most terrifyingly he s about to come face to face with the fifth assassin

The President's Shadow Brad Meltzer, 2015-06-16 A severed arm found buried in the White House Rose Garden A lethal message with terrible consequences for the Presidency And a hidden secret in one family s past that will have repercussions for the entire nation Following *The Inner Circle* and *The Fifth Assassin* 1 bestselling author Brad Meltzer returns with *The President s Shadow* There are stories no one knows Hidden stories I find those stories for a living To most it looks like Beecher White has an ordinary job A young staffer with the National Archives in Washington D C he s responsible for safekeeping the government s most important documents and sometimes its most closely held secrets But there are a powerful few who know his other role Beecher is a member of the Culper Ring a 200 year old secret society founded by George Washington and charged with protecting the Presidency Now the current occupant of the White House needs the Culper Ring s help The alarming discovery of the buried arm has the President s team in a rightful panic Who buried the arm How did they get past White House security And most important What s the message hidden in the arm s closed fist Indeed

the puzzle inside has a clear intended recipient and it isn't the President. It's Beecher himself. Beecher's investigation will take him back to one of our country's greatest secrets and point him toward the long carefully hidden truth about the most shocking history of all: family history.

The First Counsel Brad Meltzer, 2001-03-09 White House lawyer Michael Garrick has a relatively anonymous position at a very public address. That is until he starts dating Nora Harston, secret service code name Shadow, the sexy and dangerously irresistible daughter of the President. But the confident young attorney thinks he can handle the pressure. Until out on a date, Nora and Michael see something they shouldn't. To protect her, he admits to something he shouldn't. And when a body is discovered and Michael is the suspected killer, he finds himself on the run. Now in a world where power is an aphrodisiac and close friends carry guns and are under strict orders to risk their lives, Michael must find a way to prove his innocence.

The House of Secrets Brad Meltzer, 2016-06-07 A secret worth killing for: a woman with no past and an act of treason that changed America. 1 bestselling author Brad Meltzer returns with *The House of Secrets*. When Hazel Nash was six years old, her father taught her mysteries need to be solved. He should know: Hazel's father is Jack Nash, the host of America's favorite conspiracy TV show *The House of Secrets*. Even as a child, she loved hearing her dad's tall tales, especially the one about a leather book belonging to Benedict Arnold that was hidden in a corpse. Now years later, Hazel wakes up in the hospital and remembers nothing, not even her own name. She's told she's been in a car accident that killed her father and injured her brother. But she can't remember any of it because of her own traumatic brain injury. Then a man from the FBI shows up asking questions about her dad and about his connection to the corpse of a man found with an object stuffed into his chest: a priceless book that belonged to Benedict Arnold. Back at her house, Hazel finds guns that she doesn't remember owning. On her forehead, she sees scars from fights she can't recall. Most important, the more Hazel digs, the less she likes the person she seems to have been. Trying to put together the puzzle pieces of her past and present, Hazel Nash needs to figure out who killed this man and how the book wound up in his chest. The answer will tell her the truth about her father, what he was really doing for the government, and who Hazel really is. Mysteries need to be solved. Especially the ones about yourself.
