The Innocent Will Robie Book 1:

The Innocent David Baldacci, 2012-04-17 From a 1 New York Times bestselling author America's best hitman must rescue a teenage runaway and investigate her parents' murder. It begins with a hit gone wrong. Robie is dispatched to eliminate a target unusually close to home in Washington D.C. But something about this mission doesn't seem right to Robie and he does the unthinkable: he refuses to pull the trigger. Now Robie becomes a target himself and is on the run. Fleeing the scene, Robie crosses paths with a fourteen-year-old runaway from a foster home. But she isn't an ordinary runaway; her parents were murdered and her own life is in danger. Against his professional training, Robie rescues her and finds he can't walk away. He needs to help her. The more Robie learns about the girl, the more he's convinced she is at the center of a vast cover-up, one that involves unimaginable levels of power. Now Robie may have to step out of the shadows in order to save this girl's life and perhaps his own.

The Innocent: A Will Robie Novel 1 David Baldacci, 2012-05-01 A heart racing thriller from the no. 1 international bestselling author. **BOOK 1 IN THE WILL ROBIE SERIES**. The page-turner of the season. *The Times*. This taut, action-packed adventure is Baldacci at his very best. *Daily Express*. Provides the reader a non-stop pulse-pounding ride that will keep you on the edge of your seat into the wee hours of the morning. Five stars. *Examiner.com*. Freelance hitman Will Robie has a mission which takes him first to Edinburgh and then to Tangier. His task is to eliminate suspected enemies of the US government. But back in DC, when government employee and mother of two Denise Tamaron is detailed as his next target, Robie fails to pull the trigger. She's an unlikely victim and why does she pose a threat to national security? Having failed in his mission, Robie needs to leave the scene fast. But it seems that he is not the only one who is on the run and in danger. On his escape from the city, he saves a young teenage girl from an unknown killer. She's too scared to reveal her true identity and why, if indeed she knows, there are those who want her dead. The police investigating the deaths start to take an interest in Robie. And he's particularly attracting the attention of a tenacious female investigator who believes the two cases may be connected. Robie finds himself a fugitive in a dangerous position. Does he need to change sides to save lives, including his own?
