years now the answer has been hidden in plain view The last page of the Revelations states I am Alpha and Omega the first and the last and therein lies the rub You do not know who Alpha and Omega are because you do not know the true nature of the Holy Trinity In Reality Alpha is our Father Omega is our Mother and the consciousness of their only Begotten Son Daughter is known everywhere as Christ The three together are known throughout Creation as the Holy Trinity As above so below This is where the Universe began not with a bang but with Will Desire and Action Again as above so below The Intelligent Design of Creation Delahnnovahh-starr Livingstone,2017-06-12 By the time you have finished reading the Intelligent Design of Creation you will know for a certainty that a higher dimensional Universe exists Creation is not of itself made nothing exists for nothing nothing in Creation has nothing to do that Creation exists solely through an Intelligent Design formulated by the Creators to expand themselves within themselves according to rule there is aught in Creation not of the Design and you will also know for a certainty that the Creators exist because if there is a Design there has to be a Designer You are not yet aware of the Intelligent Design because you have not yet been made aware of the Principles of Creation Your entire world view is held in a stygian deep of stagnant errant thought known as the Mentalized Illusion The Mentalized Illusion is the accumulated product of your wayward thinking over the last three and a half million years Because of the illusion your current notions about Reality are completely misconstrued You believe the entirety of Creation is a fourteen billion year old Universe In Reality Creation is over nine hundred trillion light years across and still within its infancy You believe that Creation started out with a single big bang just over fourteen billion years ago Creation started from an absolutely single point Point and Center after the ending of the Antiquities of the Silences untold eons ago and has been expanding ever since step by step instead of all at once By work of the Design the Creators have been converting themselves from out their original causeless ill fated formulation of Intelligent Breath and Tiny Particles of Substance into their caused everlasting Trinity formulation of Intelligence Energy and Substance called Creation by their Will Desire and Action The Cosmos is not trivial The current Outer Creation is over nine hundred trillion light years across and still within its infancy Every Starr in every galaxy has a potential family of twelve planets Every planet has a population in its fifth dimension The fifth dimension is the bottom line of Creation Creation in total comprises the fourteenth dimension to the first The Holy Trinity is the entirety of the fifteenth dimension On only a very small handful of twenty five hundred planets does a 3D population also exist in the third dimension ill consequence of the Luciferian Self Will Rebellion of the Cosmic Overplus five billion years ago A mammoth inter dimensional clean up in the aftermath of the Rebellion is already well underway as that you call Armageddon Similarly great 5D cosmic events are beginning to occur on Earth in significant number Including a new twenty five thousand year Dispensary cycle a new two hundred and fifty thousand year Evolutionary cycle a new two hundred and fifty million year Galactic cycle plus a new anti matter Super Universe is starting up in Andromeda by bifurcation with Earth right in the middle of the point of bifurcation All part and parcel of the out workings of the Intelligent Design You are

Intelligent Design as Proof of Creation Uditha Jayatunga,2023-10-13 Intelligent Design goes well beyond the evolution debate This book explores the science of this vast subject from the universe to life as well as going down to cells and DNA It argues that the origin of first life complexities of a cell unparallel information system in DNA and many perfect systems seen in all life can only come from intelligence It also draws evidence from lesser explored topics such as the brain the most complex in the universe power of the zygote superior animal features phylogenetics microbiome development of sexes in new species physiology and fine tuning of over 200 parameters in the universe solar system the earth as well as in the environment needed for life It dissects fallacies and the limitations of Darwinism falling well short of the biological complexities of all life While agreeing with micro evolution which is a drop of water in the ocean of macroevolution It concludes the impossible task of producing 8 7 million species with just two mechanisms of Darwinian theory namely random mutations and natural selection Evidenced by purpose and fine tuning at every level of complexity this book gives proof of Intelligent Design based on undisputable mathematical probabilities *Creation, Evolution, and Intelligent Design* Guillermo Gonzalez,Jay Wesley Richards,2013 What are creationism evolution and intelligent design really about Has materialism displaced God as the best explanation for our existence Jay Richards and Guillermo Gonzales serve up a guide for the perplexed The Radionnic Ships of the Heavenly Host Delahnnovahh-starr Livingstone,2017-04-12 The Radionic Ships of the Heavenly Host is a wonderful book for visionaries a book that beautifully illustrates the truth about the Radionic Ships and how close they are to us The author contends that these ships have been hiding in plain sight for thousands of

years But most recently in the age of Aquarius these ships have decided to be more revealing to humanity and anyone can see them Delahnnovahh Starr Livingstone leads readers into a stunning discovery with awesome photographic images that will convince anyone that what appears merely as a Chemtrail or cute lamb could actually be something of greater mystery I picked this book out of sheer curiosity but it felt like a powerful mysterious hand drove me to it I have never believed in UFOs or heavenly bodies thrusting through the sky No I have always believed in mysteries that are veiled from human eyes but this book was able to make me change that belief The author masterfully teaches readers to see beyond the obvious to discover powerful manifestations of The Radionic Fleet of the Heavenly Host in the clouds and does so by providing ample and undeniable proof to readers The images are very powerful and compelling unalloyed and utterly arresting Readers will find the accompanying commentaries very interesting written for the average reader and in compelling prose In this book you will know how to identify a Radionic Ship and determine which kind of ship you are looking at This is a book that is revelatory and entertaining After you read this book you will never see clouds in the same way By Christian Sia for Readers Favorite *In Search of the Intelligent Design* Pieter Van Klaveren,2006-06-14 The Intelligent Design presents a creation model that definitively reveals in a logically unfolding framework that God is the designer and creator of the universe

Intelligent Design Creationism and Its Critics Robert T. Pennock,2001-12-21 The last decade saw the arrival of a new player in the creation evolution debate the intelligent design creationism IDC movement whose strategy is to act as the wedge to overturn Darwinism and scientific naturalism This anthology of writings by prominent creationists and their critics focuses on what is novel about the new movement It serves as a companion to Robert Pennock s Tower of Babel in which he criticizes the wedge movement as well as other new varieties of creationism The book contains articles previously published in specialized hard to find journals as well as new contributions Each section contains introductory background information articles by influential creationists and their critics and in some cases responses by the creationists The discussions cover IDC as a political movement IDC s philosophical attack on evolution the theological debate over the apparent conflict between evolution and the Bible IDC s scientific claims and philosopher Alvin Plantinga s critique of naturalism and evolution The book concludes with Pennock s Why Creationism Should Not Be Taught in the Public Schools *Intelligent Design: The Witness of Creation Series Volume One* Billy Crone,2017-10-05 Over ninety years ago the Scopes Monkey trial seemed to become the driving force where evolutionary teachings were eventually put into our schools and prayer and Bible reading were taken out At this time the evolutionists claimed that Biblical Creationists were being intellectually bigoted by excluding evolutionary teachings But now we actually have this premise in reverse Evolutionists truly are being intellectually bigoted by excluding the scientific facts of Biblical Creationism Therefore the stage is once again set to for the battle of our origins and our minds Some are even calling it the modern day Scopes Monkey trial It s the battle over Intelligent Design Therefore this book Intelligent Design takes a look at the hardcore scientific data that logically reveals how all of life was intelligently

designed implying an Intelligent Designer namely God **The Deliberate Design of Destiny** Theodore A. Green, 2009-05-06 Ps 71 1 In thee O LORD do I put my trust let me never be put to confusion The Deliberate Design of Destiny incorporates the great and courageous recent works of intelligent design scientists into a workable theory This book answer the Who What When Where Why and How of creation from the Intelligent Design perspective Understand the mystery kept secret since the world began Rom 16 25 The world blunders in confusion because largely the academic and industrial science institutions confuse the origins of human destiny and purpose Their aversion to faith and their exclusion of God confuses their efforts to understand this Mystery keep secret since the world began The Deliberate Design of Destiny explores the reason people society and nations do not comprehend creation s design and purpose and become doomed to confusion and chaos It explains how this ignorance allows the enemy of God to manipulate the world of men unto a destiny of destruction **Mere Creation** William A. Dembski, 1998-09-28 In this book a team of expert academics trained in mathematics engineering philosophy physical anthropology physics astrophysics biology and more investigate the prospects for intelligent design Edited by William Dembski **Intelligent Design: The Witness of Creation Series Volume One** Crone Billy, 2017 Facts of Intelligent Design of Creation and Facts I Am Being Radio-Waved Christian C. Nwobi, 2006-03-20 The book has applications for understanding God works while it provides to living a meaningful productive life in God s kingdom bearing in mind that God s kingdom is here on planet earth and other planets God created everything and made the earth his own abode We can only search and reach God where there is life and the earth is the only such place in the body of the living While this book is not attacking anyone or any arranged order of peaceful co habitations the book challenges the tutorials of most if not all orders applying the teaching of God outside creation and or life In all and everything created God is one yet lives in each of us individually until death This foundation has been with the creation of beings For any fundamentalism to present differing is a clash of and with creation The Egyptians the Romans etc are those who in the ages before Christ Jesus made their dead kings gods And in that premises of proclaiming dead men gods they worship the dead rather than the living The children of Israel as a whole be them the Africans by their tradition or of their Jewish brethren in the Middle East are the only group who of belief in God the Omnipresence have refrained from worshipping idols They believe in the God of their fathers and forefathers as the intelligent that designed creation The book also seek assistance and input of those in sciences or of persons who would otherwise know how to combat the crime of radio wave to come forward and assist in that need to fight the crime Beyond Intelligent Design Mel Mulder, 2003-01-01 Intelligent Design versus Evolution Shlomo Gabbay, M.D., 2023-02-09 Dr Gabbay is a heart surgeon He graduated from Tel Aviv Dr Gabbay got his training in cardiac surgery at the Albert Einstein College of Medicine in New York graduated in 1980 His knowledge of science was always of multidisciplinary scope Dr Gabbay was always interested not only in biology and medicine but also on social issues While studying in medical school the science of medicine biology and human development excited him to dwell on the

question of evolution versus intelligent design Dr Gabbay's interest in science started in high school He graduated from an agriculture high school which gave him a wide scope on the botanical and animal world and medical school gave a wider scope in biology and medicine In this book Dr Gabbay has gathered objective scientific information for and against the theory of evolution against intelligent design and creation This book is not intended to convince the reader to adopt any theory but to be read objectively to understand what science has to offer for both theories and to allow the readers to decide which view they support The intention of this book is to also allow any person to speak objectively about those two important theories Dr Gabbay published a book on philosophy and political science Earlier when practicing cardiac surgery Dr Gabbay has conducted a large amount of research on heart valves surgery and has developed many heart valve designs To understand how the body rejects any medical device Dr Gabbay has spent a great deal of time and research to study the immunological system and function which allowed him to develop a biochemical treatment of animal tissue to prevent rejection degeneration and calcification of heart valve implanted in children or adults Dr Gabbay was always fascinated by the immune system and how the design is intelligent His forty six years of research based on the understanding of how the body rejects implanted medical devices and the conclusions of this research prompted Dr Gabbay to write this book see chapter 5 of book 1 and chapter 1 of this book

Creationism's Trojan Horse Barbara Forrest, Paul R. Gross, 2004-01-08 Forrest and Gross expose the scientific failure the religious essence and the political ambitions of intelligent design creationism highlighting its threat to public education and to the separation of church and state

Radionnic Ships Delahnnovahh Livingstone, 2016-11-25

Heads up A momentous day is occurring in the history of Mankind the Ufos have finally come out of the closet and this book is their official disclosure The Radionnic Ships of the Heavenly Host is unlike any other book you have seen or are likely to see for a long time coming It does not argue for the existence of Ufos it in fact reveals first hand their existence The Author of the book is the Radionnic fleet The Author on the cover is strictly the word smith who organized their information into a form you could understand The Radionnic ships sit in the fifth dimension outside the orbit of Pluto containing millions upon millions of ships from all over Creation Thousands upon thousands of the ships teleport into Earth's atmosphere creating uniquely distinctive Radionnic clouds which are easy to identify once you know what to look for The clouds are their signature and reveals their existence This book is about the clouds The purpose of this book is to teach you how to identify the clouds Not by saying it is so but by showing you so Once you start identifying the clouds for yourselves you will know automatically about their existence and also about the fact of the higher dimensions they are from of which most of you are currently completely unaware You have been clamoring for decades that your governments officially disclose what they know about extraterrestrial Ufos You have alternatively been clamoring that the Ufos themselves disclose their presence officially This book at long last is that official disclosure This book is their official disclosure word smithed into simple English so you may all understand By inter dimensional communication the Heavenly Host has guided both the content and the wording of

this disclosure The Radionnic Ships of the Heavenly Host contains over four hundred photographs of Radionnic clouds with detailed explanations accompanying each The book reads easily is entertaining is informative will hold your interest and unlike countless other books on the subject is completely free of suppositions hearsay conjecture or sheer wishful thinking It is also written in a street and social media type language which is familiar to everyone It is also written with humor and has been written to inform you not cajole This is a book which like an encyclopedia or the Bible will have a lifetime spot on your bookshelf One you can return to over and over again as the images in the book and details given will never become stale or dated In particular as you begin to see Radionnic clouds in the sky for yourselves it will work as a reference book helping you to recognize instantly what your are looking at and likely what it means The illusion that Man is Alone is being ended forever You are at a turning point in history which has never been equaled before and will never be again Two thousand years from now you will be back in the fifth dimension where you belong and your thousands of years of turmoil and strife will be all but a forgotten memory You consciousnesses have been raised up high enough that the higher factors deemed you were ready to be made aware of the fact of higher dimensions What better way to introduce you to the idea from a running start than to bring you into an awareness and acceptance of the Radionnic Fleet who are fifth dimensional and there you are The secret to the Intelligent Design of Creation has also been revealed by the Heavenly Host and is introduced as Starrgram 22 of the Book The value of this book cannot be overestimated When you think about it how can two such monumental events even be quantified monetarily The seeming high cost of the book is because every page of the The Radionnic Ships of the Heavenly Host is in full color and is printed by laser printers on demand Which as any one of you who have ever had a color page printed at Staples very well know is expensive **Debate Resolved** George Grebens Phd,2011-12-28
