Dick,2016-03-14 The Screen Is Red portrays Hollywood s ambivalence toward the former Soviet Union before during and after the Cold War In the 1930s communism combated its alter ego fascism yet both threatened to undermine the capitalist system the movie industry s foundational core value Hollywood portrayed fascism as the greater threat and communism as an aberration embraced by young idealists unaware of its dark side In Ninotchka all a female commissar needs is a trip to Paris to convert her to capitalism and the luxuries it can offer The scenario changed when Nazi Germany invaded the Soviet Union in 1941 making Russia a short lived ally The Soviets were quickly glorified in such films as Song of Russia The North Star Mission to Moscow Days of Glory and Counter Attack But once the Iron Curtain fell on Eastern Europe the scenario changed again America was now swarming with Soviet agents attempting to steal some crucial piece of microfilm On screen the atomic detonations in the Southwest produced mutations in ants locusts and spiders and revived long dead monsters from their watery tombs The movies did not blame the atom bomb specifically but showed what horrors might result in addition to the iconic mushroom cloud Through the lens of Hollywood a nuclear war might leave a handful of survivors Five none On the Beach Dr Strangelove or cities in ruins Fail Safe Today the threat is no longer the Soviet Union but international terrorism Author Bernard F Dick argues however that the Soviet Union has not lost its appeal as evident from the popular and critically acclaimed television series The Americans More than eighty years later the screen is still red **The New World** Park Benjamin,James Aldrich,Henry Champion Deming,James Mackay,1841 Prophet of Evil: Aleister Crowley, 9/11 and the New World Order William Ramsey,2010-07-24 Do the numbers suffusing the day of September 11th have occult significance Why are the numbers 11 77 93 and 175 extremely significant in understanding the event How did Aleister Crowley influence the events of 9 11 considering the fact that he died in 1947 How did Aleister Crowley inspire the doctrines of the New World Order The answers to these questions is contained in the riveting book Prophet of Evil Aleister Crowley 9 11 and the New World Order
