**Great Gatsby** Nicolas Tredell, 2007-02-28 Reader's Guides provide a comprehensive starting point for any advanced student giving an overview of the context criticism and influence of key works Each guide also offers students fresh critical insights and provides a practical introduction to close reading and to analysing literary language and form They provide up to date authoritative but accessible guides to the most commonly studied classic texts The Great Gatsby 1925 is a classic of modern American literature and is often seen as the quintessential novel of the jazz age This is the ideal guide to the text setting The Great Gatsby in its historical intellectual and cultural contexts offering analyses of its themes style and structure providing exemplary close readings presenting an up to date account of its critical reception and examining its afterlife in literature film and popular culture It includes points for discussion suggestions for further study and an annotated guide to relevant

reading *New Essays on The Great Gatsby* Matthew Joseph Bruccoli, 1985-10-31 Provides students of American Literature with introductory critical guides to the great works of American fiction F. Scott Fitzgerald Nicolas Tredell, 1999 Presents a selection of critical responses to F Scott Fitzgerald's novel *The Great Gatsby* including both contemporary and later criticism and includes brief biographical information about Fitzgerald Inside The Great Gatsby A.E. Elmore, 2025-02-15

*Inside The Great Gatsby* The Hidden Subtext is a revolutionary analysis of the famed novel that reveals its important previously unknown literary foundations drawn from classical and modern literature including the works of Dante Milton Conrad Spengler Frazer Weston Joyce Eliot and the King James Bible Other studies of the novel have focused primarily on its biographical cultural or social issues but none prior to Elmore's have systematically examined the unrecognized debts *Gatsby* owes to previous literary works The ultimate irony is that *Gatsby* lauded as one of the greatest novels in the English language earned its stature based solely on recognition of only a part of its whole the literal narrative or surface story without realization or acknowledgment of its foundational subtext the hidden layer that links it to the universal library of human experience most of which remained undetected until the centennial year of the novel's original publication *The Great Gatsby; The Diamond as Big as the Ritz* F. Scott Fitzgerald, 2005 *The Great Gatsby* has long been celebrated as the archetypal American novel and its influence on later writers from J D Salinger to John O'Hara cannot be overestimated Fitzgerald looks deeply into himself and his milieu to create the story of James Gatz a self educated nobody from Kentucky who has amassed a fortune and adopted the persona of Jay Gatsby an Oxford educated man about town for the sole purpose of winning back the heart of Daisy the woman he loved in his youth Daisy is now married to Tom Buchanan a brutal ignorant racist who embodies the corruption that can come with unlimited wealth As *Gatsby* Daisy and Tom play out the drama in a small Long Island town Fitzgerald makes it clear that life is meaningless when it is based on money and glamour at the expense of the solid American values of self reliance and hard work
