The Handsome Squirm:

The Handsome Squirm Carlton Mellick, III, 2012-04-01 A tale of marriage child rearing and vaginas that eat people A man is arrested in the middle of the night He doesn't know why He doesn't remember committing any crime The cops drop him off in a small community in the middle of the woods where a wedding is about to begin It is his wedding He doesn't recognize the bride but she's allegedly pregnant with his children All twelve of them And by law he must marry her or go to prison for the next two decades But who is this strange woman he is to spend the rest of his life with She doesn't seem quite human Her expressions are cold and emotionless Her movements are like that of a spider She is Usagi a creature who feeds on her human mate during pregnancy Now this man has to find a way to terminate the marriage if he is to survive But it's not going to be easy His friends his family and his country are all against him They believe a father should be willing to give up anything for the sake of his family Even his life Like Franz Kafka's *The Trial* meets an erotic body horror version of *The Blob* this darkly absurd tale is classic Mellick
