Williams,2013-01-02 One of the most extensive studies of class in nineteenth century African American literature to date Dividing Lines unveils how black fiction writers represented the uneasy relationship between class differences racial solidarity and the quest for civil rights in black communities By portraying complex highly stratified communities with a growing black middle class these authors dispelled notions that black Americans were uniformly poor or uncivilized The book argues that the signs of class anxiety are embedded in postbellum fiction from the verbal stammer or prim speech of class conscious characters to fissures in the fiction s form Andre N Williams delves into the familiar and lesser known works of Frances E W Harper Pauline Hopkins Charles W Chesnutt Sutton Griggs and Paul Laurence Dunbar showing how these texts mediate class through discussions of labor moral respectability ancestry spatial boundaries and skin complexion Dividing Lines also draws on reader responses from book reviews editorials and letters to show how the class anxiety expressed in African American fiction directly sparked reader concerns over the status of black Americans in the U S social order Weaving literary history with compelling textual analyses this study yields new insights about the intersection of race and class in black novels and short stories from the 1880s to 1900s The Selected Literary Letters of Paul Laurence Dunbar Paul Laurence Dunbar,2021-02-09 These 250 transcribed and annotated letters reveal the personal and literary life of one of the most highly regarded African American writers and intellectuals Paul Laurence Dunbar 1873 1906 was arguably the most famous African American poet novelist and dramatist at the turn of the twentieth century and one of the earliest African

American writers to receive national recognition and appreciation Scholars have taken a renewed interest in Dunbar but much is still unknown about this once famous African American author s life and literary efforts Dunbar s letters to various editors friends benefactors scholars and family members are crucial to any critical or theoretical understanding of his journey as a writer His literary correspondence in particular records the development of an extraordinary figure whose work reached a broad readership in his lifetime but not without considerable cost The Selected Literary Letters of Paul Laurence Dunbar is a collection of 250 letters transcribed and annotated that reveal the personal and literary life of one of the most highly regarded African American writers and intellectuals Editors Cynthia C Murillo and Jennifer M Nader highlight Dunbar not just as a determined author and master of rhetoric but also as a young sensitive thoughtful keenly intelligent and talented writer who battled depression alcoholism and tuberculosis as well as rejection and racism Despite Dunbar s personal struggles his literary letters disclose that he was full of hopes and dreams coupled with the resolve to flourish as a writer at almost any cost even when it caused controversy Taken together Dunbar s letters depict his concerted effort to succeed as an author within an overtly racist literary culture among sharp divides within the African American intellectual community and in opposition to the demands of popular public tastes often dictated by the demands of publishers This wide ranging selection of Dunbar s most relevant literary letters will serve to correct many matters of conjecture about Dunbar s life writing and choices by supplying factual evidence to counter speculation assumption and incomplete information **Black**

Frankenstein Elizabeth Young,2008-08-10 For all the scholarship devoted to Mary Shelley s English novel Frankenstein there has been surprisingly little attention paid to its role in American culture and virtually none to its racial resonances in the United States In Black Frankenstein Elizabeth Young identifies and interprets the figure of a black American Frankenstein monster as it appears with surprising frequency throughout nineteenth and twentieth century U S culture in fiction film essays oratory painting and other media and in works by both whites and African Americans Black Frankenstein stories Young argues effect four kinds of racial critique they humanize the slave they explain if not justify black violence they condemn the slaveowner and they expose the instability of white power The black Frankenstein s monster has served as a powerful metaphor for reinforcing racial hierarchy and as an even more powerful metaphor for shaping anti racist critique Illuminating the power of parody and reappropriation Black Frankenstein tells the story of a metaphor that continues to matter to literature culture aesthetics and politics **The Southern Workman** ,1902 The May or June issue of 1900 1939
