The Heart Of Justice:

The Heart of Justice William J. Coughlin, 1995 A courtroom drama on a corporate takeover The protagonist is Judge Paul Murray judging the legality of an acquisition Murray's problem is that the corporate raider is a close friend of Murray's wife and it was due to the raider's influence that Murray received his appointment By the author of *Shadow of a Doubt* *The Heart of Racial Justice* Brenda Salter McNeil, Rick Richardson, 2022-01-11 Racial and ethnic hostility is one of the most pervasive problems the church faces What should our response be in a work torn apart by prejudice hatred and fear In this book Brenda Salter McNeil and Rick Richardson provide a model of racial reconciliation social justice and spiritual healing that creates both individual and communal transformation *The Heart of Catholic Social Teaching* David Matzko McCarthy, 2009-03-01 This accessible introduction covers the complete history and contemporary contexts of the church's involvement in Catholic social tradition giving distinctive attention to the Bible liturgy the thought of Augustine and Aquinas and recent theological developments Bringing together veteran teachers of Catholic Social Teaching who have worked together on the content this book is designed to set social questions within the Catholic tradition and contemporary life End of chapter application sections address practical concerns such as racism in the church charity consumerism and talking with neighbors and coworkers about moral issues Discussion questions case studies excerpts of church documents and suggestions for further reading enhance the book's usefulness It will work well for students of theology and ethics particularly Catholics but also Protestants who want to know more about the Catholic social tradition *The Heart of Human Rights* Allen Buchanan, 2013-12 This book provides a moral assessment of the heart of the modern human rights enterprise the system of international legal human rights Any attempt to achieve a moral assessment of that enterprise must first evaluate the system of international legal human rights which includes both legal norms and the institutions that create interpret and implement them When philosophers have addressed the system of international legal human rights at all they have tended to assume that international legal human rights when they are morally justified mirror or at least help to realize preexisting moral human rights But international legal human rights like many other legal rights can be justified by appeal to several different types of moral considerations of which the need to realize preexisting moral individual rights is only one Justifying the system of international legal human rights requires not only advancing sound arguments for international legal human rights norms but also an account of the legitimacy of the institutions of the international legal human rights system It also requires showing that the legal rights in question should be part of a system of international law rather than merely being included in domestic legal systems Finally justification also requires an account of the supremacy of international human rights law a determination of whether and if so under what conditions international human rights law should trump domestic law including the constitutional law of the best existing liberal democratic states **The Heart Of Conflict** Dr. Elinor Powell, We are all spiritual beings Our spirituality is an inborn part of our nature the essence of who we are as aware

and intuitive human beings Having an appreciation of the spiritual in our lives allows us to explore the deepest layer of our being for ourselves for our relationships with each other and for the world beyond In *The Heart of Conflict* Dr Elinor Powell takes a fresh look at conflict and then suggests that it is our spirit that is put to the test and most clearly manifested when we are faced with any challenge in our lives *The Heart of Racial Justice Bible Study* Brenda Salter McNeil, Rick Richardson, 2022-01-11 For Christians pursuing racial justice and reconciliation begins with following Scripture and the voice of the Holy Spirit asking God to give us new eyes and hearts In this five session Bible study readers will learn how the early church engaged with issues of reconciliation and how we too can commit ourselves to discipleship prayer community and witness in alignment with God's call **Putting Social Justice and Equity at the Heart of Reading for Pleasure** Jane Carter, 2025-03-31 This essential book discusses what reading for pleasure is and what it is not introducing some fundamental ideas about how we learn to read and how this process can impact a child's identity as a reader in classrooms that promote equality inclusion and diversity The profile and importance of Reading for Pleasure has grown significantly over the last few years and is now firmly embedded in both government policy and the Ofsted framework Developing a Reading for Pleasure school that is truly inclusive of the whole school community however can require a culture shift in relation to the teaching of reading representation in the reading environment and the knowledge and attitudes of the school community This book seeks to use the current research teacher case studies and the voices of children to address some of the issues that teachers and pre service teachers encounter when trying to develop an inclusive Reading for Pleasure culture within their schools Each chapter is co authored by teachers and researchers and includes case studies and children's perspectives It provides practical and evidence based advice lesson ideas and creative ideas to both support and challenge all school leaders staff and student teachers in their journey to create readers rather than children that can just read *In the Heart of the Young* S.
