The Hidden Jesus:

The Hidden Jesus Donald Spoto, 1998 The author draws on his expertise as a New Testament scholar to present a controversial reassessment of Jesus life teachings relationships and standard doctrinal theology The Hidden Jesus Dan R. Mitchell, 2014-11-12 This book will shake your faith in Jesus Christ History has hidden who Jesus really is The information from reputable sources forces us to change our image of Jesus We fail to see the struggles of a normal man in a Jewish life While the narrative text struggles to remain true to the Gospel it also uses information of recent discoveries It leaves you wondering just what has come to us in the selective texts of the Bible and why other texts have not been put in the Bible by a faith that wanted only a God and not a man **The Hidden Wisdom of Christ and the Key of Knowledge** Ernst von Bunsen, 1865 **Justice, Unity, and the Hidden Christ** Matthew John Paul Tan, 2014-01-07 Does social justice promote Christian unity With reference to paragraph 12 of Unitatis Redintegratio Vatican II's declaration on ecumenism this book argues that an emphasis on justice and unity without proper consideration of social context actually risks obscuring a clear public declaration of Christ by having Christians uncritically accept the presumptions that underpin the sociopolitical status quo This constitutes a failure in Christian interpretation the crux of which is a failure in ecclesiology Matthew John Paul Tan suggests the beginnings of a corrective with reference to works by Pope Benedict XVI theologians such as Graham Ward and postmodern theorists like Michel Foucault Ultimately Tan invites the reader to begin considering how answering this seemingly simple question will implicate not only theology but also philosophy and political theory as well as considering the need for the church to engage in a bolder confessional politics in place of the politics of the public square often favored by Christian and non Christian commentators **The Hidden Jesus** Michael D. Magee, 1997 The Hidden Wisdom of Christ and the Key of Knowledge Ernst von Bunsen, 1865 **The Hidden Power of Healing Prayer** Mahesh Chavda, 2005-10 Mahesh Chavda has ministered healing to more than a million people around the world In this book he reveals how the compassion of our Lord reaches the hurting masses simply by the prayer for healing *The Hidden Supernatural Power in Fasting and Prayer* Prayer M. Madueke, 2021-06-30 Bible Study With Video Access Link Included There is freedom from the torment of the enemy The days we live in are evil Perilous times are here The habitations of cruelty are devising and unleashing frightful dimensions of wickedness on humanity The hearts of men are melting in fear The love of many is waxing cold But our God has not left us defenseless He has given us weapons to contain and defeat every foe Best selling author Prayer Madueke with over 40 years of experience in Ministry and a trusted teacher on deliverance reveals strongholds that can be broken including poverty sickness witchcraft sexual impurity pride fear confusion and marital problems This isn't just another entry in the genre of Christian fasting books it's a profound guide to harnessing the fasting secrets revealed within the Bible enabling believers to wield these spiritual tools effectively against modern day evils The book eloquently argues that fasting is more than abstaining from food it's a powerful act of faith that can bring about personal and communal

could completely understand humanity This is why Jesus is unique and why he changed everything in the relationship between God and each of us Section six This is a call for the old People of the Book to become the People of God Judaism Christianity and Islam must realize that they are all worshiping the same God God is not happy with them fighting and killing each other Humanity needs to get over itself and get into a right relationship with God and with other people Then at least humanity has a chance

Jesus Incognito Martien E. Brinkman,2013 In this book Martien Brinkman explores the Jesus incognito as found in Western film literature and the visual arts since 1960 His interest here is focused primarily on indirect references to the Jesus figure To his surprise he found an abundance of allusions to Jesus in key figures in modern art This confirmed his view that film literature and the visual arts make a substantial contribution even in secular Western culture to continuing reflection on Jesus significance Brinkman finds important characteristics of a hidden Christ in films by Gabriel Axel Ingmar Bergman Krzysztof Kieslowski and Lars von Trier novels by Peter De Vries J M Coetzee and Arnon Grunberg poems by Les Murray and Czeslaw Milosz and paintings by Andy Warhol Harald Duwe and Frans Franciscus He defines a hidden Christ as a fictional human individual who can be seen as a new embodiment of the meaning that can be attributed in the present to the biblical figure of Jesus The hidden Christ is therefore a contemporized Jesus figure This book will be of interest for everyone who shares Brinkman's quest for this Jesus incognito

The Hidden Life Bryan Fraser,2005-12

The Hidden Keys in the Bible 2 Vernon Atkins,2024-02-12 Why is it so hard to find God Or should I say Why is it so hard for God to find you There are Those who say I Read the Bible often But Can't Understand it So I Quickly Lose Interest in it Then I find myself Seeking a Church and a Man of God to help me get closer to God This after a while did not do it for me So I left the Church feelings even more depressed than before Is it really that hard to make a Connection with our God I been told by others that he said that he love all and wishing that none should perish Well why is it so hard to find him if he love us Is our God speaking out of both sides of his mouth I mean he did say it is impossible for him to lie He also said what comes out of my mouth can't return void it that is the case then you need took at your self and at your attempts to see what you are doing wrong less Review You first Started Reading the Bible How much time did you spend reading the Bible once a week every other month are just doing hollow days did I give up my friends who were still involved in daily activities that goes against the Laws and Commandments of God Did you give up going to places that God would disapproval like bars nightclubs where you find half naked woman's sliding down a pole How about going out gambling looking at trying to get rich and then becoming hooked spending money you don't have money that could have been spent on other things your kids bills Now can you see why it was so hard to understand the Bible Could it be that you are not given your all Less now put you on the right track God says seek him first and all things will be added all you need to do is to knock Asked and Seek in the door will be opened Next you say that you went as far as attending a church and a minister to bring you closer to God Let me say this all ministers are not call by God In other words it is just as bad to hear the words of God from one who is not call to lead you

even further from the truth It s like the blind leading the blind and they both fall into a ditch One sure way to know that you have made a Connections with God Is when you seek him daily Reading his words for yourself and keeping all of his Laws and Commandments by you doing this you show Him that you are truly sincere about knowing him This is when God releases His Spirit of understanding to your mind but in small portions and the more you read his words the more knowledge is revealed

The Hidden Power of Speaking in Tongues Mahesh Chavda,2005 Almost 40 years ago John and Elizabeth Sherill introduced the world to the phenomenon of speaking in tongues in their book They Speak with Other Tongues The book was an immediate success as thousands were touched by the power of this spiritual gift The Hidden Power of Speaking in Tongues again explores this spiritual experience powerfully prevalent in the early church This much maligned and controversial gift was a practical part of their worship and intercession and seeks to be rediscovered in our day In a day of spiritual poverty Chavda challenges the Body of Christ to experi

Kierkegaard Jacob Sawyer,2015-09-18 In this book Jacob H Sawyer explores the concept of hiddenness as a means to unlock

the intriguing and oft misunderstood authorship of Soren Kierkegaard By understanding the melancholy man as first and foremost a Christian thinker this work gives special attention to how the form of Kierkegaard s authorial task complements its content giving particular attention to his use of pseudonyms The first part of the book addresses the explicit content of the authorship the second addresses the implicit form in which it was communicated to Kierkegaard s reader and the third addresses how these can help us understand Kierkegaard s own hidden inwardness Through this investigation Soren Kierkegaard is recognized as an example par excellence of a communicator He is seen to have attempted to only speak what his own life could uphold striving to be one who was in Christ the truth **Jesus and the Hidden Bible** Joseph Hayyim Krinsky,1951

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
