The Holy Days Of God The Holidays Of Man:

The Holy Days of God, the Holidays of Man Holly M. Snead, 2012-12-07 For two thousand years the Church Universal has celebrated the life of our Lord At Christmas we remember and celebrate his birth in a stable in Bethlehem We watch him grow to a young boy who sat at the feet of the Temple leaders and spoke wonders they could not understand We continue to watch him as he started his ministry and preached to his people of the promises of God to the people of Israel After his three years of ministry we prepare for his suffering and death and grieve at the foolishness of the people who could not believe We stand at his cross and watch as his disciples who followed him fled in fear for their lives but three days later we rejoice with the faithful women who went to the grave to grieve the loss of their Lord To their wonder and ours we rejoice in his resurrection and celebrate the life he has given us through his suffering death and resurrection We celebrate his ascension to Heaven with his promise that he would be with his disciples in the Presence of the Spirit to teach and prepare them for his return Ten days after his Ascension we witness and celebrate the Coming of the Spirit at Pentecost and rejoice in the birth of the Church We hear the words of Peter and sit in wonder of all the Spirit promised Then suddenly the Church stops its celebration There is silence for six months until in December we return to the stable in Bethlehem and start our celebration again What have we forgotten what do we neglect What are we missing Why has the celebration stopped at Pentecost Where is the mature Church the victorious Church Where is the promised Return of our Lord in His Fathers Glory Where is the Bridegroom How much longer must the Bride wait Come with us as we learn the Rest of the Story and discover all we have missed because our celebrations stop at Pentecost God calls us to celebrate the entire story from beginning to end He promised his faithful remnant that he would return to them and they would dwell with him in His Presence He promised the rejoicing would have no end Come with us as we learn and celebrate the Rest of the Story A great tragedy of modern evangelical Christianity is the failure to either appreciate or to properly interpret the incredible significance of Israels Feast Days The prophetic content of the feast days is normally given barely a summary acknowledgement and then forgotten Holly Snead has done the Christian community a great favor in bringing to the fore not only the typological significance of Israels festal calendar but Gods faithfulness in bringing all those feast days to final fulfillment in Christs Parousia What she brings to the reader is tremendous and exciting insight into how the NT writers applied Israel s feast days to the work of Christ If you have never considered Israels New Moons feast days and sabbaths as they relate to the End Times you owe it to yourself to read this book Whatever you do read the Appendices These special studies are more than worth the price of the book all by themselves Don K Preston D Div President Preterist Research Institute www.eschatology.org [God's High Holy Days vs. Man's Pagan Holidays](#) Nakesha Lowe, 2014-02-26 God had ordained what days are ordinary and which days He had made High Days and hallowed them as feast days for the Israelites Many generations have strayed away from the way they are suppose to serve God they have taken heed to the way of the stranger celebrating man s pagan holidays We have to serve

God the way we are ordained to and not the way we want to There are man s philosophies and opinions and then there is the truth Ecclesiasticus 33 7 9

What s a preacher to do with holidays Some seem to almost preach themselves especially those in the church calendar Others are more secular or may seem to conflict with the church calendar Some are even controversial and require a gentle but firm touch of the preacher s art William Powell Tuck is a master preacher and in this book he demonstrates his sensitivity to the issues raised by some of the holidays and special days of the year along with his grounding in biblical studies theology and homiletics You can read these sermons as essays if you want but they are not light devotionals They are serious efforts to grapple honestly with issues and to guide a church community in learning and growing as they celebrate their lives their families and their communities For the preacher these sermons can serve as models for how to approach these days as well as providing insight into the various issues involved

From Holidays to Holy Days Albert Holtz,2008-08 Rather than criticizing trappings of the holiday season this book looks at them from the viewpoint of Christian contemplation once aptly described as a long loving look at the real The author a Benedictine monk who lives in the center of downtown Newark New Jersey invites the reader to join him on his daily walks as he points out dozens of often unnoticed connections between our holidays and the spiritual meaning of Advent and Christmas In a string of colored lights a crowd of shoppers or the window of a toy store he uncovers such traditional Advent themes as watchful waiting repentance and selfless love On the bustling sidewalks he introduces us to Isaiah John the Baptist and Jesus himself all speaking their ancient Advent and Christmas messages of peace and hope and good will

is given through God's grace and not through deeds. It was adopted by Lutheran Churches and also by the other Reformed Churches in principle. Martin Luther was a German theologian, professor, pastor, and church reformer. Luther began the Protestant Reformation with the publication of his Ninety-Five Theses on October 31, 1517. In this publication, he attacked the Church's sale of indulgences. He advocated a theology that rested on God's gracious activity in Jesus Christ rather than in human works. Nearly all Protestants trace their history back to Luther in one way or another. Luther's relationship to philosophy is complex and should not be judged only by his famous statement that reason is the devil's whore. **The Bristol Job Nott, Or, Labouring Man's Friend**, 1832 The Reformation of the Church of England: A.D. 1514-1547 John Henry Blunt, 1868
