A review article with response

by Kevin Giles and Robert Letham

Philipsburg, NJ: P & R, 2004. 551 pp., \$24.99 ISBN 08755206X6

It was with keen anticipation that I sat down to read this weighty tome on the Trinity by Robert Letham, an adjunct professor of Systematic Theology at Westminster Theological Seminary, Philadelphia. Evangelical and 'conservative Reformed' (as Letham identifies himself) theologians have contributed very little to the renaissance in trinitarian theology of the last thirty years. This is the largest and most erudite book on the Trinity published so far by anyone in the evangelical family. Two specific matters were in my mind as I began. Firstly, what was his response to the now pervasive conservative evangelical doctrine of the eternal subordination of the Son popularised by Wayne Grudem's widely used, *Systematic Theology* (Leicester: IVP, 1994) and secondly, what was his response to my arguments that this teaching is basically heretical. Noting right from the start that he was an appendix entitled, 'Kevin Giles on Subordinationism' I knew I would not be disappointed on these scores.

I was impressed as I read. After his general introduction he gives a helpful outline of the biblical teaching that demanded the development of the doctrine of the Trinity. Then he turns to the historical sources to map out this development. What follows is not simply a summary of other theologians' work. Letham has read and mastered Athanasius, the Cappadocian fathers, Augustine, Calvin, Barth, Rahner, Molinism, Pannenberg, I. E. Torrance and the Eastern orthodox theologians, Bulgakov, Lossky, and Scharinas. I found very little that I would want to differ with him these chapters. Often he favorably notes comments made that exclude subordinationism and modalism. In his twenty pages on Barth he argues that Barth lays greatest stress on divine unity. It is for this reason and others he has often been accused of modalism. Letham thinks this charge cannot stand although he sees Barth veering in this direction (289). Because of this stress on divine unity he finds no hint of subordinationism in Barth. His discussions of the work of Rahner, Molinism and Pannenberg are helpful for evangelicals because unlike so many other studies on their work he does not set out simply to reflect their views. He reads and criticises them from the vantage point of historic trinitarian orthodoxy. I was least impressed with his chapter on I. E. Torrance. On the one hand he says, 'Torrance's treatment of the Trinity is probably the best one in date' (373), praising him for his total rejection of subordinationism (370), yet on the other hand he accuses him of a 'modalist tendency' (368, 373, cf. 377) – a charge I think is totally mistaken. What is distinctive about Torrance's theology of the Trinity is its profound commitment to the communal being of God. Why Letham omitted any detailed discussion of the work of the Greek Orthodox theo-

The Priesthood of All Believers and

the Missio Dei Henry Joseph Voss, 2016-10-25 The priesthood of all believers is a pillar undergirding Protestant ecclesiology Yet the doctrine has often been used to serve diverse agendas This book examines the doctrine's canonical catholic and contextual dimensions It first identifies the priesthood of all believers as a canonical doctrine based upon the royal priesthood of Christ and closely related to the believer's eschatological temple service and offering of spiritual sacrifices chapters 1-3 It secondly describes its catholic development by examining three paradigmatic shifts especially associated with Christendom chapters 4-6 and a suppression of the doctrine's missional component Finally the book argues that a Christian doctrine of the priesthood of all believers should be developed with a Christocentric Trinitarian understanding of the missio Dei This suggests there are especially appropriate ways for the royal priesthood to relate to the Father to the Son and to the Holy Spirit A canonically and catholically informed priesthood of all believers leads contextually to particular ecclesial practices These seven practices are 1 Baptism as public ordination to the royal priesthood 2 Prayer 3 Lectio Divina 4 Ministry 5 Church Discipline 6 Proclamation and 7 the Lord's Supper as the renewal of the royal priesthood

Karl Barth on the Filioque David Guretzki, 2016-04-22 Despite the burgeoning literature on Karl Barth his doctrine of the Holy Spirit continues to be underappreciated by his friends and critics alike Yet while Barth's commitment to the doctrine of the procession of the Holy Spirit from the Father and the Son Filioque is well known many scholars dismiss his stand as ecumenically untenable and few have bothered to subject his stance on the Filioque to close theological analysis For those interested in this long standing ecumenical point of contention between Eastern and Western trinitarian theology this book will show how Barth's doctrine of the Filioque may still have something to contribute to the debate The work traces the origin of Barth's commitment to the Filioque in his early career particularly in Romans and the Göttingen Dogmatics and then analyzes how the doctrine functions throughout the Church Dogmatics Guretzki concludes that Barth's doctrine of the Filioque while clearly standing within the Western trinitarian tradition is atypical in that he refuses to speak of a double procession in favour of a common procession of the Spirit a position that has more affinity with the Eastern position than many of Barth's critics may have thought

Complementarian Spirituality Natalie Brand, 2013-10-09 In this work Dr Brand seeks to contribute a unique complementarian expression of Reformed spirituality in order to stimulate a spiritual renewal in the contemporary Reformed tradition Using a distinctively feminine approach in a theological arena largely monopolized by male theologians the author anchors corporate and personal spirituality upon the unio mystica so returning to a Calvinistic appreciation of the Christian life Grounding Reformed spirituality on the marital union between Christ and the church a corporate portrait of the church is explored Critical of the neglect of women in Reformed church life and practice the author calls the tradition to reform proposing an intentional complementarian use of women that can practically and spiritually profit the whole church body The book culminates with an initial tracing of a Reformed feminine spirituality which is pastorally relevant to women as well as encouraging a renewed experiential enjoyment of Christ for both men and

women **Christ's Glory, Your Good** Ryan M. McGraw, 2013-03-02 The gospel of Jesus Christ is intimately bound up with the glory of Christ Himself Moreover all of the major themes of Christian theology are vitally informed by the person and work of our glorious Lord Aware of these connections Ryan McGraw gives us a big picture view of the gospel that begins with the eternal plan of salvation moves through the covenants of works and of grace traces every stage of Christ's incarnation and work and concludes with His reign in the church Throughout the book careful attention is given to the importance of the Trinitarian nature of God and the believer's union with Christ Here is a call to faith in and fellowship with Jesus demonstrating how the glory of Christ is truly the best news anyone can embrace Table of Contents Preface Why does the Glory of Jesus Christ Matter 1 The Eternal Christ 2 The Christ of Genesis 3 15 3 The Incarnate Christ 4 The Obedient Christ 5 The Suffering Christ 6 The Resurrected Christ 7 The Exalted Christ 8 The Reigning Christ *The Doctrine of the Holy Spirit* Yacob Godebo, 2025-07-03 The Scriptures teach the church that in biblical times the coming of the Holy Spirit equally entailed objective gift of divine reality and subjective experience of his presence gifts and works There was objective pouring out and imparting of the Holy Spirit from the divine side and subjective experiential demonstration from the receivers side which resulted from the gifts endowed and power imparted along with the Holy Spirit Having given them either verbally uttered or visibly performed gifts the Holy Spirit then moved believers towards practical demonstration through subjective experience Believers subjective experience took place only as a result of the objective gift of the Holy Spirit and the resulting endowment and empowerment Thus in the objective content of his manifestation the Holy Spirit is the objective gift of God to indwell his people In the subjective content of his manifestation the Holy Spirit endows people with audibly uttered or visibly performed gifts The subjective experience of the Holy Spirit's presence therefore is an original theological input from God just like the objective impartation of the Holy Spirit Practitioners were just objects of divine purpose and their subjective experience was divine provided and divine initiated genuine experience beyond their consciousness and calculation Reception of the Holy Spirit therefore means equally an experience of his presence gifts power and works in the church and in with and through believers from Hosanna to Maranatha **Glory to the Three Eternal** Michael A. G. Haykin, Roy M. Paul, Jeongmo Yoo, 2019-08-29 This is the first critical study of the writings of the English Particular Baptist Benjamin Beddome 1718 1795 whose evangelical ministry stretched over the last half of the eighteenth century Best known in the years following his death as a capable hymn writer he was also a significant doctrinal preacher John Newton who had heard such preachers as John Wesley and George Whitefield considered Beddome one of the finest preachers of his day The articles in this critical study examine his sermons to delineate Beddome's view of God Christ and the Holy Spirit as well as his position on the free offer of the gospel a central issue among the Particular Baptists of his day His important contribution to Christian hymnody is also detailed A must read for those interested in eighteenth century evangelical thought **The Mission of the Triune God** Adam Dodds, 2017-07-31 Lesslie Newbigin was arguably the greatest missionary thinker of the

twentieth century After a successful missionary career in south India Newbigin pioneered missionary engagement with the secular West and resurgent Islam He also led the way in arguing that the Church's mission can only be understood in light of the doctrine of the Trinity Over fifty years ago Newbigin called for the further development of missionary thinking grounded in the Triune being of God This work is in response to that call Adam Dodds provides the first in depth study of Newbigin's trinitarian theology of mission Dodds constructs a systematic account of the central features of the mission of the Triune God the Triune being of God the mission of the Son the mission of the Holy Spirit and the mission of the church This book contributes to our understanding of the work of Lesslie Newbigin offers a systematic theological account of the mission of the Triune God and contributes to the retrieval of Christian mission from the theological margins back to a place of central importance to Christian theology *Calvin, Classical Trinitarianism, and the Aseity of the Son* Brannon Ellis, 2012-06-28 Brannon Ellis investigates the various Reformation and post Reformation responses to Calvin's affirmation of the Son's aseity or essential self existence a significant episode in the history of theology that is often ignored or misunderstood **Life in the Spirit** Andréa Snively, 2015-05-12 What would the church look like if Christians saw their lives as constituted by the Spirit's presence to live as Jesus lived In a time when being led by the Spirit is defined more by achieving the American Dream than by Jesus's life answering this question rightly seems all the more critical for the church to survive in a culture increasingly hostile to Christianity Building upon the work of post Constantinians John Howard Yoder and Stanley Hauerwas and upon the Trinitarian Spirit Christology of Leopoldo Sanchez this account of the Christian life provides a framework for seeing one's Christian life as one transformed by the Spirit to live in the resurrection reality of Jesus's sonship with the Father in the Spirit In the process one will discover that for Jesus being led by the Spirit meant trusting his Father to the point of death on a cross trusting God to resurrect him even if he did not save him Should it mean the same for Christians today If so this would require the church to reimagine its ministries for the Spirit to work repentance and faith rather than simple agreement For Christians living in the Spirit their lives might look very different Christian Dogmatics van der Kooi & van den Brink, 2017 A fresh inviting text on the content of Christian faith in our contemporary context This one volume systematic theology presents an accessible orthodox overview of the Christian faith for students teachers pastors and serious lay readers Cornelis van der Kooi and Gijsbert van den Brink not only cover all the traditional themes creation sin Jesus Christ Scripture and so on but also relate those classical themes to contemporary developments like Pentecostalism postfoundationalism and evolutionary theory Consisting of sixteen chapters the book is ideal for classroom use Each chapter begins with engaging questions and a statement of learning goals and concludes with a list of recommended further reading Written in a student friendly tone and style and expertly translated and edited van der Kooi and van den Brink's *Christian Dogmatics* splendidly displays the real practical relevance of theology to the complexities of our world today **Church History for Modern Ministry** Dayton Hartman, 2016-02-17 With all the pressing demands of modern ministry why make
