## **The Hotel Monte Sano:**

**The Hotel Monte Sano** Charles Farley, 2015-02 It's hot and steamy in the summertime in Alabama even on top of a mountain at an exclusive resort hotel for the rich and famous Fifteen year old Sophie Franklin doesn't know what to expect when she arrives there with her family from New York in the summer of 1892 But what she finds beside the opulent Hotel Monte Sano are a handsome stable boy named Jude who just may turn out to be the first true love of her life and his African American friend Smokey who knows more about what goes on at the hotel than anyone else And a butchered man bleeding to death under the hotel's boardwalk Shocked and afraid Sophie's mother wants to pack the family back to New York So Sophie can stay she and Jude and Smokey set out to find the murderer But what they find is a Gothic maze of Jim Crow bigots Yankee carpetbaggers pistol packing gamblers menacing ghosts and revenge seekers determined to settle a Civil War grudge not so long since passed The Hotel Monte Sano is a fast paced mystery set in a fascinating fin de siècle world of ambition and decadence when love at least for the moment eclipses the mounting tensions between rich and poor black and white and North and South

**Historic Alabama Hotels and Resorts** James Frederick Sulzby, 1960 All the resorts early inns and historic hotels from Stevenson in the north to Point Clear on Mobile Bay and from Eufaula in the east to Carrollton in the west are included and most importantly every one is pictured The collection of illustrations alone makes this a book of prime importance in a state and regional history a unique record of social life of the past Jacket [Hotel Monte Sano, Near Huntsville, Alabama, Lovliest City of the South](#), 1888 [Hotel Monte Sano, Near Huntsville, Alabama, Lovliest City of the South](#) North Alabama Improvement Company, 1888 *The Hotel World*, 1917 **New York Hotel Review**, 1925 **The Hotel Monthly** John Willy, 1922 [The Culinarians](#) David S. foundational culinarians the chefs caterers and restaurateurs who made cooking an art Marcie Cohen Ferris author of *The Edible South* In this encyclopedic history of the rise of professional cooking in America the 175 biographies include the legendary Julien founder in 1793 of America's first restaurant Boston's Restorator and Louis Diat and Oscar of the Waldorf the men most responsible for keeping the ideal of fine dining alive between the World Wars Though many of the gastronomic pioneers gathered here are less well known their diverse influence on American dining should not be overlooked plus their stories are truly entertaining We meet an African American oyster dealer who became the Congressional caterer and thus a powerful broker of political patronage a French chef who was a culinary savant of vegetables and drove the rise of California cuisine in the 1870s and a rotund Philadelphia confectioner who prevailed in a culinary contest with a rival in New York by staging what many believed to be the greatest American meal of the nineteenth century He later grew wealthy selling ice cream to the masses Shields also introduces us to a French chef who brought haute cuisine to wealthy prospectors and a black restaurateur who hosted a reconciliation dinner for black and white citizens at the close of the Civil War in Charleston Altogether *The Culinarians* is a delightful compendium of charcuterie makers pastry pipers caterers railroad chefs and
